

Pass Christian Early Childhood Center

A STATE OF THE ART FACILITY

Pass Christian's Early Childcare Center is a "state-of-the-art" facility that has recently partnered with Mississippi State University's Early Childhood Institute to implement a curriculum designed to ensure that our children appropriately develop cognitively, socially, and physically. Children are engaged in fun indoor and outdoor activities that teach them fundamental skills that are vitally important for success in Mississippi schools. We would love to invite you to take a tour of our facility and experience all the Early Childhood Center has to offer. The Center is open Monday through Friday from 6:45 AM—5:15 PM. Please contact Kenitra Barnes, Administrative Director, with any questions or to schedule a tour.
