

Continuous Improvement Goals

1. Improve student academic achievement as reported by state and iReady diagnostic test results.
2. Increase parental involvement, community collaboration, and business partnerships to enhance academic achievement and student growth.
3. Promote academic success and wellness by maintaining a safe and orderly environment through increased efficacy of PBIS implementation yielding few major infractions.

NCLB Report Cards

The No Child Left Behind (NCLB) Report Cards for the 2016-2017 school year are now available for your viewing. To view the report card for the Pass Christian Public School District and each school within the district, please visit <http://mdereports.mdek12.org/data/>.

From the dropdown menu, please choose the Pass Christian Public School District and the school you are wanting to view. If you have any difficulty accessing the Report Card, please contact your child's school or Patty Cooper, Chief Academic Officer, at 228.255.6200 for a paper copy of the report.

Advanced Accreditation

It is time for the Pass Christian School District to complete our 5-year accreditation and strategic plan review. This voluntary process focuses on continuous improvement. Each school and the central service office developed a leadership team to collect evidence of our work over the last five years. We are proud of what we have collected!

We would like to thank those of you who have contributed by completing surveys and partnering with us to sponsor meals and provide Pass Christian memorabilia. We could not have prepared for this important visit without our school teams and all of our stakeholders. Thanks; we are READY!!

Thank you to those that have agreed to serve on our Parent Stakeholder Group! It is our time to shine bright like a diamond as we tell our visitors our story and how we are COMMITTED TO EXCELLENCE!!

We will have a 5-member team made up of in and out of state educators. Our visit is scheduled for March 11-14!! If you see them around town, tell them why you love being a Pirate!! #oapaap

As a reminder, **no student** should have medication on campus. This includes prescription and over the counter. If your student needs to take medication while at school, please contact the nurse to receive information regarding procedures. Thank you for your help with this matter.
