LINE OF RESPONSIBILITY

The Board of Education shall operate under a unit control system headed by the Superintendent of Schools.

The authority of the Board of Education is transmitted through the Superintendent of Schools along specific paths from person to person as shown in the organization chart of the school district. The lines of authority represent direction of authority and responsibility. The lines are those approved by the board of education and are intended to establish clear understanding on the part of all personnel of the working relationships in the school system.

All personnel in the Paulsboro Public Schools, certified and non-certified, are responsible to the Board of Education through the Superintendent. The Superintendent has delegated and shall have the right to delegate certain personnel responsibilities to members of the administrative team.

Personnel are expected to refer matters requiring administrative action to the administrator to whom they are responsible. Personnel are expected to keep the person to whom they are immediately responsible informed of their activities by appropriate means.

It shall be the common goal of all employees to make the instructional program as effective as possible for all the children of the Paulsboro Public Schools.
