

# Paulsboro District Re-Opening Survey (Parents)

The Paulsboro School District is working to create a safe environment to re-open schools to our students. We are seeking your feedback in order to plan for our return. Please read all information below before answering questions.

The school district plans on offering two options for learning in September.

Option 1:HYBRID - In this model students will be in school 2 consecutive mornings per week and will be at home doing on-line learning the other 3 days. When in school, students will be screened for Covid-19 and MUST wear a face mask. Class sizes will be approximately half the typical size.

Option 2:REMOTE - In this model students will be at home doing on-line learning 5 days per week.
