PUBLIC STATEMENTS

The Board of Education recognizes that arbitrary or independent actions of board members can produce serious consequences and affect the effectiveness of school operations. An essential quality of effective board operation is teamwork in problem resolution and cooperative decision making.

Only the board president shall authorize or make statements of official board positions.

No other member of the board of education individually will speak for, or in the name of, the total board unless by explicit direction of the board. Board members should emphasize that they can only speak as individual board members unless empowered by the board to speak for it.
