

BOARD CONSULTANTS

The board will consider hiring expert consultants when it feels its own resources are too limited to conduct a complete study of an important topic for decision or to supply a required service. The fees must be consistent with budget appropriations and shall require board approval.

Consultants, whether they are temporary, part-time, or full-time workers, shall exercise no administrative authority over the work of employees of the board, but shall act only as advisers in those fields in which they are qualified to offer expert assistance.
