

Paulsboro High School Hall of Distinguished Alumni Candidate Application

Mission Statement: The ultimate measure of any educational institution is reflected in the accomplishments of our graduates. They bring honor to the institution through their public lives and professional achievements. Paulsboro High School has had the honor and privilege to educate some of the most distinguished and most accomplished people in industry, government and the military. We established a Hall of Distinguished Alumni to pay tribute to those who have gone on to distinguish themselves in their dedicated field and as a humanitarian. Each year, we have the honor of inducting highly distinguished alumni and/or non-alumni who unselfishly contributed to PHS into our Hall to recognize their stellar careers and achievements.
