Tina Morris, Principal

November 2018

Dear Parents,

Thank you for being an integral part of the Paulsboro Public School District. At Billingsport Elementary School, the administration, faculty and staff are dedicated to providing for the unique development needs of our early learners. We are committed to the success of our students and to assuring them the best possible educational experience at our school. Billingsport’s staff strives to provide a rich, challenging program. Our program focuses on academic achievement, higher order thinking, respect for self and others, and an appreciation for life-long learning.

Please take the time to review this handbook. You will find valuable information about our school, the staff, and our district policies and procedures. Our dress code policy is found on pages 15-19. Adherence to the dress code policy enhances school spirit and encourages unity. Our detention and discipline policies are found on pages 13-14. It is necessary to review these policies with your children. One of our primary concerns is for the safety of our students. Please encourage your child to follow all rules and regulations concerning conduct that have been established by the board of Education. This will help us maintain a positive school climate that is conducive to teaching and learning.

I look forward to working with and your children this year. Together we can ensure success for each individual, and to a larger degree, success for the entire Paulsboro Public School community. Have a wonderful school year.

Sincerely,

Tina Morris
Principal

STATEMENT OF OBJECTIVES

The Paulsboro Public School System is guided by the principle that it must serve the community in educating each child to the highest standards attainable. We strive to develop the child's intellect, self-respect, sense of responsibility, and autonomy.

The Paulsboro Schools shall endeavor to equip each child with competence in fundamental subjects so that he or she will be prepared to enter our complex society with self-assurance and independence. The schools shall strive to enrich the child's life with the resources of our culture and heritage, to encourage the spirit of inquiry, to expose him or her to the attractions of intellectual activity, and to encourage the development of talents unique to each child.

Every student will have equal access to educational opportunity. Since no single approach to learning is most equally effective for every child, various approaches will be used within the requirements of a uniform curriculum.

A child's education is the product of the efforts of school, home, and community.

The Paulsboro Public School System shares with the parents the responsibility for the development of the child's intellect and academic talents.

THURSDAY SEPTEMBER 13, 2018 BACK TO SCHOOL NIGHT 7:00 p.m.

TO BE ANNOUNCED WINTER PROGRAM 7:00 p.m.

TO BE ANNOUNCED SPRING PROGRAM 7:00 p.m.

SCHOOL HOURS

Grades 1 and 2 - 7:55 A.M. - 2:47 P.M.

Kindergarten – 7:55 A.M. - 2:30 P.M.

Preschool – 8:15 A.M. – 2:15 P.M.

Lunch periods will be 43 minutes in lengths:

11:32 A.M. - 12:15 P.M. Preschool/Kindergarten

12:20 P.M. – 1:03 P.M. 1st and 2nd Grades

If your child needs to be home for lunch for any special reason, please follow the procedure below:

1. Please call the school and send a note at least a day in advance, except in an emergency.
2. The parent or guardian *must pick up the child in the school office* at the beginning of their child’s lunch period. You must bring a valid picture form of identification (valid drivers license or passport) to be able to enter into the school to pick you child up at all times.
3. A child may be sent home for lunch by the principal after conferring with the parent. (This includes discipline problems that might arise).

EARLY DISMISSAL DAY

During those days in which students have a half-day of school with an early dismissal, school will start at its normal time for kindergarten, first and second grades 7:55 A.M., and 8:15 a.m. for preschool, but will end at 12:15 p.m. for preschool, 12:20 p.m. for kindergarten and 12:30 p.m. for first and second grades. All days are indicated on the school calendar. Lunches will not be served.

EARLY DISMISSAL (DUE TO EMERGENCY)

There may be times because of an emergency (inclement weather, etc.) that we need to dismiss students early. Parents should have a rehearsed plan with their children so that they know where to go in case of early dismissal. We will contact the media so that it will be announced. Our school closing number is 808. We ask that you do not call the school. An attempt will be made to contact all parents by telephone through a parent phone chain.

SCHOOL PROPERTY

Any student found writing on and /or damaging school property will be fined an amount that is equal to the replacement or repair of the damage.

Parents, as the new school year begins, we wanted to take this moment to remind everyone to drive with extra caution when approaching and entering Billingsport School Zone, when entering onto the property, or when parents are actively involved in either picking up or dropping off their children. In order to ensure the safety of the children, our Police Department personnel will be placing an added emphasis on monitoring the operation of motor vehicles around the school in order to enforce those parts of the New Jersey motor vehicle code that pertain to school zones and school buses.

Designated Zones for Billingsport School; Parents/Guardians dropping off students at the Billingsport School are reminded that:

1.
 - Students must be dropped off in the designated drop off/pickup zones only which are now clearly marked along Greenwich Avenue. Parents are permitted to pull up along the curb-line painted "white" to drop off and pick up their children. Children cannot be dropped off in the middle of the road. Students/passengers must exit vehicles on the curbside only. Parents are not permitted to park or linger in the zone painted white, this will allow for an expedited flow of traffic.
 - Parents that require to park their vehicle to drop off or pick up their child must do so in the designated zone painted "green" only. This shall be a temporary parking area only in the morning and afternoon.
 - All vehicles must adhere to parking signs. "NO PARKING" signs are not only designated for no parking, but also includes not stopping/standing to drop off students. All motorists must abide by all traffic safety signs.
 - All violations will be enforced throughout the school year.
 - All pedestrians/students must cross the roadway at the nearest intersection. Crossing mid-block is against the law and extremely hazardous to the well-being of the student(s) crossing the roadway.
 - Please remind your children to cross the streets "only" where the Crossing Guard is located. Our Crossing Guards are very well trained and are there for your child's protection.
 - All of our Crossing Guards are clearly identifiable and we remind you, as parents and motorists, to please be respectful of them and to follow their directions at the crossing points.
 - There is NO PARKING within 50 feet of any stop sign and NO PARKING within 25 feet of any crosswalk.

We understand that for some parents timing for drop-off and pickup times can be an issue and although we are sensitive to this, the safety of our students and our Crossing Guards will always be first and foremost for us. By doing your part to follow these simple rules, being respectful of the process by being cooperative in order to promote a safe environment, we will ensure that all of our students will be able to travel to and from our schools safely.

SCHOOL AGE ENTRANCE

All children who will be four or five years of age before October 1st, may be admitted to Preschool or Kindergarten in September of each year.

HEALTH SERVICE

A doctor and a nurse are employed in the Paulsboro Schools. The nurse is present daily. The nurse assists the school doctor in making physical assessments. **No medication can be given to your child by the school nurse without a doctor's note.**

The taking of medication in school is discouraged. We realize that there may be times when it is necessary for your child to receive medication during the school hours. In order for our school nurse to dispense ANY medication (including over the counter medicine, such as aspirin, Tylenol or cough syrup) to your child the following conditions MUST be met:

1. We MUST have a note from a prescribing physician stating the name of the child receiving the medication, the name of the medication to be given, the proper dosage to be given, and the time the medication is to be given.
2. We MUST have a note from the parent or guardian giving our school nurse permission to give out the medication.
3. The medication MUST be brought to school in the original container (NOT in a plastic bag, envelope, child's hand, etc.)

Unless all of these conditions are met, our medical staff will not be responsible for giving your child medication in school. This is for the safety of your child and all of the children of Paulsboro Public Schools.

ATTENTION!

It is important to keep the school informed of Tetanus boosters and other inoculations whenever your child receives them. Up-to-date school health records are important for your youngster's well being.

STUDENT INSURANCE

The Board of Education has elected to provide student insurance over and above its legal obligation. This insurance will cover all students in school and during school sponsored extra curricular activities (athletics, field trips, etc.)

You will no longer have to buy additional insurance. Your personal insurance will be the primary insurance. All payments not covered by your insurance policy, if they are reasonable and customary, will be paid by the school's insurance. Please make sure that the school nurse is immediately made aware of any injury, so that she may complete the proper forms.

You should also know our policy regarding behavior in the lunchroom. If your child is sent to the Principal, he or she will be reprimanded and a letter sent home for the first offense. For the second offense, your child will receive detention. On the third offense, other arrangements may be made for your child not to eat in the lunchroom and/or suspension.

Recess detention will be held when necessary. When detention is assigned, students will receive a slip indicating the date(s) and time. A copy of the referral will also be sent home to the parents.

DISCIPLINE

The school's main concern is the education and safety of your child. In order to insure that this takes place, all students must obey the rules and regulations that have been established by the school. When a child fails to follow the established school rules, a reprimand, detention, or suspension may result, depending upon the severity and/or the frequency of the incident. Please encourage your child to follow all the rules and regulations that have been established so that the effectiveness of our educational program can be maximized.

Our Board of Education approved an elementary school discipline policy so students will know what is acceptable behavior and what will not be condoned. The infractions listed below are considered serious and will result in administrative action. These include, but are not limited to:

- Tardiness (5th offense and beyond)
- Truancy
- Fighting
- Open defiance or disrespect toward teachers
- Assault and battery on another peer
- Use of profane, obscene, abusive, or threatening language or gestures toward peers
- Stealing

- Misbehaving in cafeteria or playground
- Destruction of school property

IF YOUR CHILD WALKS TO SCHOOL, PLEASE DO NOT HAVE HIM/HER REPORT TO SCHOOL BEFORE 7:45 A.M. AS THERE WILL BE NO SUPERVISION PRIOR TO THAT TIME. STUDENTS WILL BE SUPERVISED STARTING 7:45 A.M.

CROSSING GUARDS

Crossing Guards are assigned by the Paulsboro Police Department. We have advised the Chief of Police of the school starting times. Crossing guards will be on their respective corners at the appropriate times.

STUDENT DRESS CODE 5132

The Paulsboro Board of Education believes that personal appearance of an individual begins with tasteful dress, cleanliness, and common sense. Appropriate dress is instrumental in creating a feeling of pride on the part of Paulsboro students resulting in better behavior, greater school spirit, and higher academic achievement.

The following guidelines must be met:

- All clothing must be neat, clean, and modest. Clothing which leaves the midriff, back or shoulders exposed shall not be worn. Any clothing which is so tight as to be form fitting is immodest and prohibited. Pants must be worn at the waist.
- Garments or accessories imprinted with the following detract from the educational process and therefore are prohibited:
 - Double meaning
 - Crude phrases or drawings
 - Profanity or sexual references
 - Slogans or drawings advocating violence
- The following items are prohibited from being worn during school hours:
 - Hats, head bands, bandanas, picks, combs, curlers, hoods, and other head coverings
 - Undergarments worn as outer garments
 - Sunglasses, unless medically approved by a physician
 - Metal/rope chains, spikes, or related items
- Hats are to be removed before entering the building and are not to be put back on until after students leave the building.
- Shoes must be worn at all times in school. Shoes do not include flip-flops or slippers. Sandals, secured with back strap, and sneakers are acceptable except where they interfere with safety standards. (Science labs, wood shops, etc.)
- Coats and/or other outer clothing are not to be worn in school, including the cafeteria.
- Students must change before and after physical education classes.
- The dress code also applies when participating in a school-sponsored activity, during regular school hours.
- Not all circumstances are necessarily covered by this dress code.

Teachers who have any doubt regarding the attire of a student should send the student to an administrator for clarification.

WHEREAS, the Paulsboro Board of Education wishes to adopt a mandatory school dress code policy for students in grades Pre-K through twelfth;

WHEREAS, it is firmly believed that young people who are safe and secure, who learn basic American values, and the essentials of good citizenship, are better students; and

WHEREAS, many parents, teachers, and school officials have come to see a school dress code as one positive and creative way to reduce discipline problems, prevent future discipline problems from occurring, and increase school safety; and

WHEREAS, it has been observed that the adoption of a mandatory school dress code can promote school safety, improve discipline, and enhance the learning environment; and

WHEREAS, the Paulsboro Board of Education strongly believes that the following issues would support such a school dress code policy:

1. An adopted school dress code will create security through identification, enabling school officials to recognize intruders.
2. A more positive atmosphere conducive to education will be established.
3. Similar clothing will eliminate peer pressure dealing with student attire.
4. The dress code will promote a statement of identity.
5. A sense of school unity will be created.
6. Students will be instilled with discipline.
7. School spirit will be enhanced.
8. The dress code will help assist families with the economic burden of clothing school age children since following the dress code is less costly.

AND WHEREAS, the actual school dress code for students in grades Pre-K through twelfth, adopted on May 9, 2006, commencing with the first day of classes of the 2006-2007 school year, shall be revised to be as follows:

1. Develop a procedure and criteria to identify families in need of financial assistance to be reviewed every April by the Paulsboro Board of Education.
2. Determine the form and type of financial assistance appropriate for the individual school community.
3. Designate a specific staff member/school volunteer to assist those families in need of assistance.

C. Each school shall work with staff, the local school community, and business partners to identify resources for assisting families. If a family is in need of financial assistance to follow the dress code that family is required to produce the following information:

PARENT/TEACHER CONFERENCES: Getting Off on the Right Foot

Participating in a parent/teacher conference is one of the important school activities in which a parent will be involved. A Conference is a time of sharing, which benefits the child, the parent, and the teacher.

Preparing for the conference is essential for both teacher and parent. Here are some tips that will be useful at the next parent/teacher conference.

BEFORE THE CONFERENCE:

1. Decide what questions should be answered at the conference.
2. Pinpoint specific questions rather than talking in general terms.
3. Prior to the conference, ask your child if there are any questions he/she would like answered.

DURING THE CONFERENCE:

1. Be on time and conclude the conference on time. The teacher is on a set schedule.
2. Relax. Teachers and parents are both striving for the same results.
3. Take notes.
4. Ask questions.
5. Enter the conference with an open mind.
6. Be a good listener.
7. Deal with facts, not rumors.

AFTER THE CONFERENCE:

1. Keep the lines of communication open so that progress can be charted.
2. Follow up on suggestions made at the conference.
3. Set up another conference when necessary.

Being prepared for a parent/teacher conference can make the conference a rewarding experience. Take the time to be prepared for your child's next conference.

HOMWORK HINTS

Homework is an important part of the learning process for your child. It provides needed practice and application skills taught in the classroom, aids in the development of responsibility and organizational skills, and extends opportunities for creative and research based activities. The successful completion of homework assignments sometimes may depend on a student receiving assistance from a parent. Parents can help in both general and specific ways. The following are some homework hints:

1. Provide a place to study that is quiet, well lighted, and has adequate work space.
2. Have paper, pencil, dictionary, and any other needed supplies handy.
3. Set specific study times, and try to stick to the schedule. However, there may be times when other activities will interrupt your schedule, so be flexible.
4. The TV and radio should be off during study time.
5. Check with your child daily to see if homework has been assigned.
6. Check periodically to see if your child is doing the homework correctly.
7. Make sure homework is done neatly and on time.
8. Motivate your child by using positive remarks and techniques, rather than negative ones.
9. Show interest in your child's homework by discussing the assignment and related materials.
10. Pay attention to your child's daily work. Frequent attention stresses the importance of the work.
11. Help your child with drill and review assignments. Use flashcards, notes, etc. Have your child answer questions about the assignments.
12. Encourage your child to study for a test over several days. "Cramming" for an exam is generally not successful, and does not replace learning that should take place over days or weeks.

Take the time necessary to help your child develop good homework habits. As your child becomes more competent, you will not have to spend as much time helping with the homework.

PARENTS AS PARTNERS

Parents play an important role in developing a child's attitude toward attending school.

- ◆ Show that you have a positive attitude toward school attendance.
- ◆ Allow your child plenty of time in the mornings to get ready for school.
- ◆ Make every effort to schedule doctor, dentist, and other appointments before and after school hours.
- ◆ Refuse to write excuses for anything other than legitimate absences.
- ◆ Refuse to view tardiness as acceptable behavior and discourage early checkouts.
- ◆ Plan family vacations in accordance with the school calendar as much as possible.
- ◆ If you know in advance that your child must be absent, notify the teacher and make sure that your child understands his/her responsibility for making up missed work.
- ◆ Talk to your child about responsibility and the need to develop good work habits and positive attitudes.
- ◆ Use good judgment. Don't send a child to school who is ill.
