Bid GF-1608

NETWORK SWITCHES & COMPONENTS

Bid Opening Date & Time: January 6, 2016 at 11:00 a.m. (Eastern Time)

Question 1: Could you provide some time slots in your calendar to discuss your Switch infrastructure, the RFP is not available.

Answer 1: As per our RFP, we will only be accepting questions in the form of email. Please send any questions you have to jsanes@outlook.com and they will be answered in a timely manner. You can get a copy of the RFP from our website at <http://www.pcboe.net/eratebids>. You can also get a copy from SLD's website at <https://data.usac.org/publicreports/Form470Rfp/index>, enter the search information and Phenix City School District zip code (36867), then "Search". Once the 2016 FCC Form 470 RFP Report is displayed at the bottom of the page, use the scroll bar to view the RFP Documents link to the right, click on the appropriate RFP to download.

Question 2: The purpose of my note today is to express an interest in learning more about your recently released Internal Connections RFP. If possible, can you please send a copy of the RFP in order to get a better understanding of your needs.

Answer 2: As previously answered in question 1, You can get a copy of the RFP from our website at <http://www.pcboe.net/eratebids>. You can also get a copy from SLD's website at <https://data.usac.org/publicreports/Form470Rfp/index>, enter the search information and Phenix City School District zip code (36867), then "Search". Once the 2016 FCC Form 470 RFP Report is displayed at the bottom of the page, use the scroll bar to view the RFP Documents link to the right, click on the appropriate RFP to download.

Question 3: I had some questions regarding your current Wireless LAN infrastructure:

1. What are you currently using for wireless and is it working for you?
2. Is this project addressing guest access, BYOD or a 1:1 initiative?
3. Is there a mandatory response or walk-thru date?
4. Do you have time for a webinar demo to see how Aerohive is a perfect fit for your School?

Answer 3: As per our RFP, we are not seeking additional Wireless LAN Equipment. There is also no mandatory or scheduled walk-thru date.
