**Question 1:** Good afternoon, After reviewing the requirements of your RFP, the question arose as to whether the EIGRP routing protocol is a component part of the IP Services image as mentioned in section II, part A. -“WS-C3750X-48P-E - Catalyst 3750X, 715Watt AC, PoE, 48 Port Data IP Services” or more simply put will you folks be using EIGRP or not. Thank you in advance for your guidance.

**Answer 1:** We have no current plans for using the EIGRP Routing Protocol at this time.

**Question 2:** I am reaching out on behalf of Cisco Meraki and your 470 submitted for E-rate. We are very interested in making a proposal with our products. In order to make sure our proposal is accurate we will need additional information. Do you have some time this Monday or Friday?

**Answer 2:** As per our RFP, we will only be accepting questions in the form of email. Please send any questions you have to [jsanes@outlook.com](mailto:jsanes@outlook.com) and they will be answered in a timely manner. Please be advised that the period for asking questions ends tonight at 12:00am E.S.T.
