

# PICKENS COUNTY SCHOOLS

Child Nutrition Program (CNP)

## At-Risk After School

## Supper and Snack Program

Our schools are now offering the At-Risk After School Supper and Snack Program. This program provides meals and snacks that will give a nutritional boost to children, including teenagers through age 18, at no cost.

These meals will be served after school Monday through Friday between the hours of 3:15 PM and 5:30 PM at Aliceville Elementary/Middle School Cafeteria, Aliceville High School Cafeteria, Pickens County High School Cafeteria, and Gordo Unit School Cafeteria.

In addition to the above dates, Aliceville Elementary/Middle School cafeteria will serve one meal and one snack on Saturday from 10:00 – 11:00 and 12:00 PM and 1:00 PM. On Sunday, it will be from 1:00 – 3:00 PM.

Participants may either drop-in or be enrolled. There is no requirement that all children receiving meals participate in the scheduled activities, but children should remain **ONSITE** while consuming the meal.
