36	We are expected to have our high schooler at athletic practice on Mondays at various times in the middle of the day, despite the fact that we both work in two different towns in two different directions. We must be at work at 8am and neither of us can just "take off". Our high schooler is not old enough to drive. We are constantly struggling to find someone to take her. We hate asking for favors, but the district has left us in this position. Coaches are not ok, with "I couldn't find a ride." Our child is punished with extra conditioning if they miss a practice or given less playing time. We must find childcare for our small son and I think being off for three days every week is a disruption to his schedule as he learns to adjust to school. If the best interests of the students is truly your intent then you must see that you have added to our family's stress, not taken away from it. Saving some money for bus routes and utility bills is not a good trade in our opinion.	9/13/2016 7:55 PM

60	Occasionally, I have to work all day and they are home for a pretty long stretch alone. Very rarely, though.	9/6/2016 3:08 PM
61	The last 2 years, it was challenging figuring out where my son would stay. For a child between the ages of 8-10, childcare is not readily available, and people do not usually babysit one day a week- especially for this age group. My son has to stay away from home every Sunday night, so he can stay with his grandfather on Mondays, which is out-of-town. Then we have to get him Monday evenings.	9/6/2016 1:55 PM

1	False advertising for it last year to get it passed. Our district lost many excellent employees, ones that actually cared about our children not just there for the 4 day school week. It also was supposed to decrease staff being absent and needing subs yet I see and hear about there being many throughout the schools.... Some are even " full time" subs working with students with special needs. Maybe the \$\$ being saved from no one really there on Mondays should go to all the staff members... Give them a raise. They deserve it, they are teaching our future .	9/27/2016 11:37 PM
2	I moved my elementary student to a different school to accommodate our conflicts.	9/27/2016 11:57 AM
3	Stick with it! We love it!!	9/20/2016 3:57 PM
4	I do think it is more difficult for the parents of younger children that require a babysitter. I'm not sure what a suggestion would be. I am pretty neutral on this at this point having an older child that will graduate in '17-'18 school season.	9/20/2016 1:09 PM
5	We love the four day week and have had only positives outcomes since it's initiation.	9/20/2016 11:01 AM
6	This has been mostly a non-issue for our family, but i cannot help but imagine what others (especially single parents) have had to do to make it work.	9/18/2016 9:52 PM
7	Our family loves it!	9/17/2016 1:01 AM
8	Please return to a five day school week. I have not seen any benefit to the children or their education.	9/16/2016 10:56 PM
9	Keep the 4 day week	9/16/2016 6:32 PM
10	I would like to know if it saved us money and how the students compare academically to the 5 day school week. I feel I do not have enough information to complete the survey.	9/16/2016 4:08 PM
11	I hope the district continues with the four day week!	9/16/2016 6:49 AM
12	We suggest that school start the first of September and get out the end of May	9/15/2016 8:25 PM
13	I appreciate the school taking the risk to improve the school district.	9/15/2016 6:51 PM
14	I have heard nothing but good things regarding the four day school week. All the way from saving fuel for the buses to kids getting an extra day to go to work if they work somewhere. They have an extra day to get caught up on work for the following week as well.	9/15/2016 2:31 PM
15	I would suggest that if the kids have Mondays off from school then I feel that they shouldn't be required to attend practices or other activities on that day. It makes it too hard on working parents to get their kids to these especially when its in the middle part of the day. Overall I am pleased with the 4 day week	9/15/2016 1:48 PM
16	The four day school week has had a very positive impact on our family.	9/15/2016 1:44 PM
17	leave the school year as 4 days a week	9/15/2016 9:10 AM
18	4 day school weeks are impossible for working parents. I believe the teachers and students like it because of the time off not because of student benefit. I know some like having Mondays for appointments but in my daughter's case her counselor is only at the office here Tuesday and Thursday so it doesn't benefit us at all	9/15/2016 7:09 AM
19	I think it's a great thing that more schools should incorporate. The week seems far less stressful with only four days.	9/14/2016 3:35 PM
20	Hope the district stays with it. This has been a fanstatic change.	9/14/2016 3:21 PM
21	We are very, very supportive of the 4 day school week. We have 6 children in school.	9/14/2016 1:24 PM
22	I have four children in school, next year I will have five. We would be so disappointed to go back to a five day week, we would consider home school if that happened. We do realize that the decision must be made based on what is best for the community as a whole.	9/14/2016 1:15 PM
23	If you need more support for the 4-day week, please call me. I have many friends who also love the 4-day week. We have all agreed that we hope our district never goes back to the 5-day week.	9/14/2016 1:01 PM

24	I do NOT like the four day schedule.	9/14/2016 10:34 AM
25	Monday is a nice recuperating day for my kids when they've been at dad's for the weekend.	9/14/2016 8:17 AM
26	Love the 4 day school week!!	9/14/2016 1:23 AM
27	Quit thinking of it from a profitability standpoint and start thinking of it from an educational one.	9/13/2016 11:38 PM
28	Keep up the good work pc school district, Elementry teachers are the best!!	9/13/2016 8:43 PM
29	We have been told that most comments regarding the survey from last year were positive. We asked that the total responses be published on the website for all to see. We have yet to see that survey. We would like to see the responses for BOTH surveys posted online. Additionally, to add to our stress, there are less days now for kids to absent? Was that ever really made public when this change was discussed? Our son was absent just a few times only for drs appts and one time only was he sick and stayed home and we were told that our straight A son was one absence away from detention. It is not right, not to have excused absences for medical issues. Everyone serving on the school board currently grew up in a school district that took dental, dr and eye appts into common consideration. It seems now that the only considerations being made are for stay at home parents and welfare parents that don't work. This system has made life more difficult for the middle class in the Pierce City School District. The four day school week must seem great to someone that has no schedule or bills to pay, but think about the parents that are trying to find someone every week. Please change it back.	9/13/2016 7:55 PM
30	I am hoping that Pierce City will continue with the 4 day school week.	9/13/2016 6:37 PM
31	We love the 4 day school week! Please don't change it!!	9/13/2016 6:22 PM
32	I like the 4 day week as a parent and the child doesn't have to feel like they spend all week at school and none at home.	9/13/2016 6:19 PM
33	We love the four day school week.	9/13/2016 6:15 PM
34	I hope you stick with this 4 day week for years to come.	9/13/2016 6:08 PM
35	I have been very impressed with the commitment the school district has made in keeping parents informed. Thank you!	9/13/2016 3:23 PM
36	I like how the district is using mondays for make up days	9/13/2016 3:19 PM
37	I think the school and its leadership are doing an incredible job and wish the community would realize we are asking them to do it with the lowest possible operating levy and if we truly have as much "big ol green pride" as we claim we need to put our money where our mouth is.....	9/12/2016 11:16 AM
38	Not convenient for those in Scott votech	9/9/2016 7:34 PM
39	We LOVE it!! It made the school year go by more quickly and smoother last year and the kids looked forward to school so much more this year because of it. They love having that much more time at home, but still being able to learn and spend time with their friends at school. Even with the days being longer, it has not really changed my children's feelings about each day, but has significantly improved their outlook about school.	9/9/2016 10:28 AM
40	So far, we really enjoy it! More time as a family, we dont have to miss much school for Dr. Appts, etc.	9/8/2016 9:44 PM
41	I believe in the initial meetings it was stated that we would actually have more hours in school. If that's the case why do we start almost an entire week earlier?	9/8/2016 7:30 PM
42	Seems with the 4 Day week the district is now starting school later and finishing later. It was better when the schedule allowed for the 3rd week of May to be the last week. Now if we run out of makeup Monday's we go into Memorial Day weekend.	9/8/2016 6:41 PM
43	We love the 4 day school week! I feel like we get to spend more time together and the kids don't get so burned out with school! ??	9/8/2016 5:03 PM
44	The kids like it and we like it	9/6/2016 7:16 PM
45	Our family very much likes the 4 day school week and hopes to adopt this long term.	9/6/2016 5:43 PM
46	The four day week is definitely better for our family.	9/6/2016 3:08 PM
47	I would like to see a workbook that they could possibly work on Mondays. For example, I bought my son a "cursive handwriting" book for him to work on because there was not much for him to do during the day after chores. I also bought him a Christian Reading workbook.	9/6/2016 1:55 PM
48	My family loves the 4-day school week and I'm hoping we can continue it in the future.	9/6/2016 1:19 PM
49	How did the MAP scores compare to the previous year? How much money did the district really save?	9/3/2016 10:23 AM

50	would be very unhappy if the 4 day school week ends.	9/1/2016 11:05 AM
51	My child's are very happy	8/30/2016 9:48 PM
