

## Our Mission

This mission of the Pike Regional Child Advocacy/ Family Resource Center (PRCA/FRC) Board and member agencies is to protect children in a safe, child friendly environment through a collaborative approach in an effort to minimize the child victim's trauma by:

- Reducing the number of interviews and persons involved in the investigation; improving the quality of factual and forensic evidence collected.
- Reducing the number of court appearances.
- Efficiently and successfully prosecuting child sexual and physical abuse cases, providing counseling and follow-up services to victims of abuse and their families.
- Preventing the occurrence of / or reoccurrence of abuse or neglect through effective community services for children and families, providing a holistic approach to prevent, investigate, prosecute, and treat victims of child abuse and neglect.

Strengthening our community one family at a time.
