Dear Community Friends and Sponsors:

On behalf of the 2018 Pike Road Patriot Fund committee, I am honored to announce our annual crawfish boil will be held on May 5, 2018 from 10 AM - 7 PM at the Waters neighborhood in Pike Road, Alabama. This is our 7th year to host such a wonderful event that is truly enjoyed by the community and, more importantly, raises money for the students at Pike Road Schools for both arts and athletics. We have been honored over the years to donate large and small to students and programs in need at the schools. To name a few, we have helped out the football, soccer, volleyball, and cheerleader programs and the art department. We have also paid for some students to be able to go on trips that, unfortunately, they could not afford at the time. This event is a great way to spend time with family and friends and also raise some money for the students at the schools.

The event costs around thirty thousand dollars (\$30,000) a year to put on. We have been blessed over the years with sponsors helping us out with the costs. We are really proud that we have repeat sponsors each year that help us out. For those that have not attended the event, let me explain a little about it. We cook about three thousand pounds of crawfish with all the fixins. We have live music pretty much all day. We have lots of kid-friendly activities including face painting, and the big green bus, to name a few. The event is extremely laid back. You can bring your own tent and chairs and even your own cooler. We sell no alcohol. However, if you are of age, you can bring your own. The athletic department sells hot dogs and Cokes. We provide free water. It is truly a family event that has been enjoyed by thousands over the years.

None of us on the committee is a professional fundraiser, so we do our best to try to get local companies to help us out with costs so we can raise as much money as we can for Pike Road School. We are currently working with a prestigious local law firm to finally get our 501 3 (c) established. I hope to have that done by the boil, but I cannot promise that.

We currently offer different sponsor packages that we would like for you and your company to look over. We have what we call sponsor row where you can set up a tent for your company and may, depending on your level of sponsorship sell items. Please look over the various options for sponsorship. If you feel like you want to be a part of this year's festivities or have any questions, please do not hesitate to call me. My email is rwhite@vickersandwhitelaw.com. My cell is 334-657-7739. On behalf of the committee, I thank you for reading this letter. God bless.

Sincerely,
Richard White
