

Greetings,

The Interact Club in conjunction with the Guidance Department are collecting gently used clothing items, on an ongoing basis, to stock our Care Clothing Closet for the upcoming school year. We will be distributing these items to students that are in need of clothing throughout the year. If you have any items or know of any community members that are willing to donate, please bring the donations to the High School office. Additionally, we are still collecting prom and/or formalwear dresses. Thank you in advance for any help you can provide for this cause.

Sincerely,

MaryAnn George, Kris Bartoletti and Phil Miller
