Because of your generous donations this year, you helped us provide a joyful holiday for 111 children in a total of 48 families. Children were provided with toys, clothing, winter coats, boots and much more for Christmas morning. Imagine the delight of these children when they found presents under the tree! Each family enjoyed a turkey and all the fixings for a holiday dinner and dessert compliments of the Portage Moose.

The support from the Portage Community and Portage Area School District is overwhelming. It is with complete awe that we take this opportunity to thank you for your generosity. No matter how you participated, our Secret Santa project was a success because of YOU! It is amazing how much we can accomplish by working together.

For this, we send a heartfelt thank you and the wish for a very Happy New Year!!
