

# Seniors 2020

To prepare for your last and most exciting year of high school there are a couple things you need to do:

1. The graduation fee for the class of 2020 is \$25 dollars. You can pay your graduation fee to Mrs. Lutz in room 109. If you are writing a check, please make it payable to PAHS Senior Class. The graduation fee is due by **October 25, 2019**.
2. When you get your packet from Jostens to order announcements, graduation memorabilia, etc, you **MUST** order a cap and gown. Even if you are not ordering anything else, you **MUST** order a cap and gown. You do not need to pay for the cap and gown. Part of your graduation fee of \$25 dollars is used to pay for the cap and gown. The other part is used to pay for other graduation expenses such as flowers and decorations for graduation night. Once again, you **MUST** order a cap and gown. You do **NOT** have to pay for it on the Jostens order form.
3. The senior class must also vote on the following items: class song, flower, color and motto. Please give your suggestions to Mrs. Lutz in room 109 by Friday, **September 20, 2019**. We need to get these things decided early because we need to design the senior graduation announcements. Please do not hesitate to give your suggestion for class song, flower, color and motto. This is your senior class!

Thank You,  
Mrs. Lutz  
Senior Class Advisor
