Grade 3: Cadence Alexander, Lana Gaunt, Logan Gentile & Kaley Letzo

Grade 2: Kaylie Grove

High School entry:

Grade 11: Makayla Klein

Youth Art Month is celebrated every March across the United States in schools, museums and communities. *Youth Art Month* began in 1961 as a means of promoting Art Education for all children. **Art** helps students develop critical thinking skills and is a valuable teaching tool in history, science, math and other areas. **Art** helps athletic skills by improving upon eye-hand coordination. **Art** can also provide students with a means of self-expression and discovery.
