

**POTTSVILLE SCHOOL DISTRICT  
FAMILY AND COMMUNITY ENGAGEMENT PLAN - SUMMARY  
2020-2021**

The Pottsville School District has developed jointly with parents and families, a family and community engagement implementation plan designed to encourage our parents/families to form strong partnerships with our schools and our schools to reach out to form strong relationships with our parents/families. We seek additional involvement and engagement of parents/families in support of every phase of their children's education. Each Title I Part A school will also be monitored to ensure that they have a current Parent and Family Engagement Plan, and it is disseminated to parents/families and the community. Thus, our plan includes the following components and will be made available to our community and to parents/families by posting it to our district website, placing an ad in local newspaper, and by making copies available at parent/family and community events. Principals of each school will make sure copies of this policy are made available at the annual school open house events in the fall or parent-teacher conferences. In addition, the Pottsville K-12 Student Handbook that is distributed to every student at the beginning of the school year will also include the District Family and Community Engagement Plan (along with a separate parent/family acknowledgement receipt of the plan). An acknowledgement receipt for the building plan will also be distributed and collected when plan disseminated at open house and/or teacher-parent/family conferences in the fall.
