GT Referral for Services Form

Pottsville School District accepts referrals for students to be screened for placement in the gifted and talented program to receive services that are differentiated from the regular curriculum.

The program is designed to serve high potential students who demonstrate above average performance in intellectual ability, motivation to learn, and creativity.

If you would like to refer a student to be screened for GT services please complete the following information and send it to any Pottsville school office or email it to Diane Hancock, GT Coordinator at diane.hancock@pottsvilleschools.org.
