September 10, 2018

Dear Students & Parents,

Quitman High School is seeking to create two- and four-year college graduates with minimal debt. Thus, we are bringing proven, entertaining ACT/SAT/PSAT Preparation—*OnToCollege with John Baylor (OTC)*-- to students. Each student will have the opportunity to experience the sessions in these course in school throughout the year leading up to their ACT/SAT/PSAT test date.

Students will also have online access at home to further prepare and work through many of the Additional Prep resources that are available to them. If your student is struggling with a specific subject area or concept on the test, *OTC's* Additional Prep resources can help.

Higher test scores can mean larger college scholarships. The average score increase from *OnToCollege with John Baylor* has been proven to be very successful, which will in turn save your family thousands in college costs and improve your child's college choices.

You are invited to follow *OnToCollege's* Twitter feed, Facebook page, and the *OnToCollege Show* available on the website [OnToCollege.com](http://OnToCollege.com).

We are excited to be doing even more to maximize your child's chances to get into his or her best-fit college at the lowest cost and to become a college graduate with minimal debt. Thanks for helping us ensure students prioritize this course and the test.

Thank you,

Mrs. Eldred  
CCMR Student Advisor
