This report contains information about some of the activities of WV RESAs during the 2008-2009 school year. Not all RESAs provide all the services listed and all RESAs offer additional services as determined appropriate by each local RESA Council. Services not only differ from RESA to RESA, they also differ within each RESA from time to time. Being able to offer the right services at the right time allows RESAs to meet the needs of county schools and school systems as well as support WVDE and WVBE initiatives and goals. A complete Annual Report for each RESA may be found by going to the web site of each RESA or hard copies may be obtained by contacting the individual RESA offices.

A powerful engine for education

WV Board of Education Policy 3233

“Each RESA shall submit...an evaluation of the services provided within each respective region and their effectiveness. The evaluation is to be completed by schools, school systems and others using the RESA’s services/programs and must include 1) an overall evaluation of the RESA’s services/programs; 2) suggestions on methods to improve the utilization of existing services/programs; 3) suggestions on how existing services/programs may be enhanced; and 4) what new services/programs would be of benefit to schools and school systems.”

2. *How could utilization of these programs be improved?*

- RESA 4 does an outstanding job of providing services to our county and all counties in RESA 4. They respond to all requests appropriately.
- More personnel to assist all schools with staff development, curriculum, instruction, and school improvement efforts.
- I am very pleased with the technology department at RESA 4 which we use a lot.
- Additional technology staff. The afterschool program is wonderful---been a successful intervention for us. Our graduation rate went from 79% last year to 86% this year.
- RESA 4 does an outstanding job of being a resource for all of us.
- More information on availability---glad to receive the handout (8/5/10)!
- Effective ways to implement into a busy schedule.
- Appreciate the monetary benefits as well as the availability of staff.
- WVEIS training on the web!!!
- More teacher usage of programs provided.
- From what I've seen this year, things work well.
- Services could be listed on the website. Have a yearly plan/schedule.
- A shared service inventory to have at school would help.
- Spreading the word about these programs will help us be more aware of them and increase utilization.
- Scheduling. WVEIS staff does an excellent job.
- Knowing what is available.
- Different decisions made at local school level.
- If there was more time and access to programs for schools like ours being so isolated.
- The information given to principals today (8/5/10) will help schools use RESA 4 more.
- Additional technology staff is needed. Guys do a great job, but they are extremely busy.
- The website will be very useful to let us know what all is available.
- I believe knowledge of the website and Professional Development will improve utilization.
- Need more time available in schools to allow for programs.
- The presentation today was very informative about programs available.

3. *What new programs would you like to see developed?*

- More staff development for professional learning communities.
- Develop PLC workshops.
- RESA 4 is presently addressing all areas which are important.
- Dana Thomas' anti-bullying and drug programs are very helpful. The students enjoyed the presentations.
- Where counties work closer together on technology and possibly bidding as a group for products as a RESA.
- RTI (math requirement)
- IPI training for staff to take over at school level.
- Really interested in classroom management classes.
- Changing student behavior using the computer to organize school data.
- Instructional practices to increase student engagement.
- Technology training directly related to teacher and principal needs.
- Additional training for graduate credit.

- Call in system for students when they are absent.
- More technology training for principals and teachers.
- More community-based programs for students. Character ed programs—more detailed.
- “Reading Academy” offered yearly. “Math Academy” offered yearly.
- Attendance and homeless grants.
- Bully -- Attendance
- Assistance with parent involvement and community support.
- Programs that were mentioned today (8/5/10) are very adequate.
- AP program improvement.
- An upcoming technology workshop which is timed prior to county needs assessment reviews.
- Creating a school community.
- I really enjoyed working with Sarah Lee on the scheduling aspects of tiered intervention.
- Character education and not out-of-box type programs.
- I really liked the handout today (8/5/10) with all the programs. However, I would like to see more math related programs.
- Have always been provided what was needed.
- Inquiry-based learning / problem solving.

4. ***How could existing programs be enhanced?***

- Use of technology to provide staff development on site.
- Presently addressing important areas.
- The employee calling system is great. Is there any way that it could flag if too many personal days were entered by employees?
- Possibly food service cooperatives.
- Yearlong workshops.
- Additional technology support.
- Unnecessary.
- Counselors use programs.
- Provide more content based standards in the afterschool program.
- Programs could be offered to beginning teachers—on a regular basis.
- A county liaison designated from RESA 4.
- Possibly increasing the number of staff at RESA 4 would allow them to be better utilized.
- Extend afterschool dates for tutoring program.
- More training for new hires.
- We need to keep and expand existing initiatives.
- More time available.
- Working well.
- Try to hire more guest speakers.
- More assistance with project based learning.
- On site professional development.
- Again, time factor.
- Mid-year mailing about services available.
- With implementation of teen courts this will be very helpful.

5. *Additional suggestions/comments.*

- WVEIS support is always excellent and helpful. I could not use WVEIS without RESA support.
- PLC workshops.
- RESA 4 does a great job within their resource capacity.
- RESA 4 technology department has helped our school a lot this past year with our new and existing lab. The staff is cheerful and willing to help out. Thank you for all that you do for our school.
- I have been very pleased with the cooperation and services I receive from RESA 4.
- Very helpful to our school last year. I can't ask for better help.
- Ruby Payne framework.
- Outstanding job!
- WVEIS department very helpful.
- Anytime I have asked for help, the RESA 4 employee was very considerate and most helpful.
- Hopefully, Policy 5310 will get changed.
- Love the lunches (8/5/10)!
- RESA staff is very helpful.
- Sarah Lee was extremely helpful in scheduling and tiered intervention. Our school utilized Dana's program on inhalants and bullying, and truly found them beneficial.
- The RESA people are great to work with.
- Update lists of programs to schools.
- Post a yearly schedule of what is available.
- Great to work with.
- County liaison from RESA.
- Offer training programs for Pre-k programs in counties.
- More technology and WVEIS staff.
- Great job with DI training.
- The technology and WVEIS staff are both very helpful.
- Help with WVEIS is invaluable.
- We have used RESA 4 programs and have been happy with them.
- Expand programs to vocational-technical schools.
