This report contains information about some of the activities of WV RESAs during the 2008-2009 school year. Not all RESAs provide all the services listed and all RESAs offer additional services as determined appropriate by each local RESA Council. Services not only differ from RESA to RESA, they also differ within each RESA from time to time. Being able to offer the right services at the right time allows RESAs to meet the needs of county schools and school systems as well as support WVDE and WVBE initiatives and goals. A complete Annual Report for each RESA may be found by going to the web site of each RESA or hard copies may be obtained by contacting the individual RESA offices.
