

CIV.IL – Civil Rights Information

Application can be found under the WVR100 (State Reporting menu).

Although WVDE cannot submit these data on a district's behalf, an application through WOW has been developed for district-level use to assist with some of the required components. Areas that are grayed out are components that must be completed by the district.

Notes: This report pulls live data. This takes between 5-20 seconds depending on the size of the school for the report.

If you have Full County access, you will be asked to supply the school you wish to view.

If you only have School level access, then the report will automatically run against the county/school that you have been assigned.
