REGIONAL OFFICE OF EDUCATION LASALLE, MARSHALL & PUTNAM

Christopher B. Dvorak - Regional Superintendent
Matthew Winchester - Asst. Regional Superintendent

119 West Madison Street, Room 102 • Ottawa, IL 61350
Telephone (815) 434-0780 • Fax (815) 434-2453

Dear Friend of Education,

The Regional Office of Education would like to thank you for your contributions to the youth of LaSalle, Marshall, and Putnam Counties. Approximately 19,000 students are educated in our schools. The work of all school personnel—bus drivers, aides, volunteers, teachers, school support staff, administrators, coaches, school board members—is important to successfully educate our students. The Regional Office of Education is here to serve you as we work together to best prepare our students. Please contact our office as needed. A listing of Regional Office staff and area of expertise is available on our website: www.roe35.org

We hope that this directory is of value to you in accessing teacher and school information as well as providing valuable business details and contacts. Through the generosity of the individuals and businesses that purchased advertisements, the 2020-2021 LaSalle, Marshall, and Putnam Counties School Directory is available to you at no cost. We encourage you to patronize these businesses for their support.

If you would like to advertise in next year's directory, please contact Marti Pack (mpack@roe35.org) at our office for details. Funds raised from the directory support the annual Excellence in Education Banquet for LaSalle, Marshall, and Putnam Counties. This event has occurred for over 30 years. Due to COVID-19, we had to adjust last year's ceremony. Although we couldn't be together, we still celebrated our honorees. We delivered or mailed over 175 recognition plaques to those that serve our students, called each retiree to offer them a personal congratulations and to thank them for their service to education, and surprised two amazing educators with Excellence in Education video tributes and a virtual celebration of their accomplishments. We hope to be able to celebrate Excellence in Education all together again in the future. Thank you for your consideration in assisting us to celebrate our region's outstanding education programming.

Sincerely,
Christopher B. Dvorak

Educate 35 was formed to meet the needs of LaSalle, Marshall, and Putnam students, families, and educators. In our first year, Educate 35 has raised over \$23,000 from generous community donors, and that money has been hard at work. We have delivered over \$5000 in gift cards from local restaurants and grocery stores to students and their families who are feeling the financial effects of the COVID19 pandemic. Additionally, Educate 35 gave 35 new Chromebooks to deserving students without dedicated devices for online learning at home. Altogether, we have served nearly 130 families, including 350 children.

As we gear up to go back to school, or log onto school, for a new year, online connectivity is more important than ever for our students and families are still dealing with challenges brought on by the pandemic. Educate 35 is here to serve students, families, and educators in new ways.
