Dear Friend of Education,

The Regional Office of Education would like to thank you for your contributions to the youth of LaSalle, Marshall, and Putnam Counties. Over 19,000 students are educated in our region's schools. The work of all school personnel—bus drivers, aides, volunteers, teachers, school support staff, administrators, coaches, school board members—is important to successfully educate our students. The Regional Office of Education is here to serve you as we work together to best educate our students; please contact our office as needed. A listing of Regional Office staff and area of expertise is available on our website: www.roe35.org

We hope that this directory is of value to you in accessing educator and school information as well as providing valuable business details and contacts. Through the generosity of the individuals and businesses that purchased advertisements, the 2017-2018 LaSalle, Marshall, and Putnam Counties School Directory is available to you at no cost. We encourage you to patronize these businesses for their support.

If you would like to advertise in this directory, please contact our office for details. Funds raised from the directory support our annual Excellence in Education Banquet for LaSalle, Marshall, and Putnam Counties. This event has occurred for the past 29 years; over 500 individuals regularly attend with approximately 200 school personnel being recognized for their work with students.

Sincerely,
Christopher B. Dvorak
Regional Superintendent of Schools
