Public Comments

County Manager Richard Wells presented information on the ¼ cent sales tax referendum which would increase sales tax from 6.75 to 7 percent. The state allows counties to levy a ¼ cent sales tax to recover sales tax revenue lost as a result of Medicaid costs passed from the state to individual counties.

This increase would result in \$2.5 million per year to be used to provide adequate school buildings and address infrastructure needs in the county. Upon recommendation by Becky Coltrane, the Board of Education voted unanimously for a resolution in support of the ¼ cent sales tax.
