Announcing the 2017-2018 Student LIFT Class!

The Student Leadership Information for Tomorrow (LIFT) class kicked off its 2017-2018 program with an orientation on September 6. The LIFT program, sponsored by the Asheboro/Randolph Chamber of Commerce, is in its 22nd year.

LIFT offers twenty-six rising high school sophomores and juniors who reside in Randolph County the opportunity to learn more about the area through day-long sessions and a ropes course.

Sessions include topics such as Government, Criminal Justice, Health and Human Services, Agriculture, Tourism, and Business and Industry, and are planned and facilitated by community leaders.

LIFT's goal is to produce leaders who are interested in their community both now and in the future. Each participant must plan, organize, and complete a Community Service Project.
