Dear Mr. Bentley,

It is our great pleasure to announce the induction of your 2019 Archdale Trinity Middle School yearbook into Walsworth’s Gallery of Excellence. Congratulations on this prestigious achievement!

Our Gallery of Excellence is an annual collection comprised of the most distinguished yearbooks Walsworth prints. These yearbooks are chosen based on the quality examples of theme, coverage, design, photography and copy they provide. Only a select number of the yearbooks we print receive this honor.

Yearbook enthusiasts around the country view Gallery of Excellence books. Our yearbook representatives share Gallery books with other schools and at workshops as inspiration-generators, and feature them at regional, state and national conventions and workshops as models of exceptional student journalism in action. We also promote the covers, spreads, photos and coverage ideas from these books on our website as well as in Walsworth educational materials, such as our Possibilities idea book, the Yearbook Suite curriculum and Idea File magazine.

Walsworth has built a reputation of excellence throughout our history, and Gallery books, including yours, contribute to this reputation. The induction of your yearbook honors your staff’s outstanding work and commitment to excellence. Again, I offer my congratulations on your remarkable accomplishment. We are proud to serve as your printing partner.

Sincerely,

Don Walsworth  
President
