Many of our schools recently participated in bottled water drives to assist those who have been impacted by recent Hurricane Matthew. Board of Education member Tracy Boyles and the Farmer Fire Department coordinated a drive in which the following schools participated:

- Coleridge Elementary
- Grays Chapel Elementary
- Hopewell Elementary
- Northeastern Randolph Middle
- Ramseur Elementary
- Randleman Elementary
- Southwestern Randolph Middle
- Southwestern Randolph High
- Tabernacle Elementary
- Trinity Elementary
- Uwharrie Middle

Trinity High School conducted a bottled water drive at its home football game on October 21. Participating in this water drive were:

- John Lawrence Elementary
- Trinity High
- Wheatmore High
