May 20, 2019

Each year, students in Career and Technical Student Organizations (CTSOs) compete in local, regional, and state events to demonstrate skills that they have acquired through curriculum activities and individual efforts outside of the classroom.

They compete against students from across our state, with the hope of earning a chance to compete at the national level. Each CTSO has specific requirements for qualifying for national competitions based on factors such as the number of competitors in the event and the type of event. It is an outstanding accomplishment to qualify for any national CTSO event.

The Randolph County School System’s Career and Technical Education Department is proud to announce the national qualifiers and state officers for 2019:

**DECA**
Randleman High School
Advisors: Whitney Miller and Stephanie Adams
Alyssa Pope – 3rd place – Entrepreneurship

**HOSA-Future Health Professionals**
Providence Grove High School
Advisors: Anne Caudle and Cheryl Wrenn
