**Special Honors**

These beginning teachers were nominated by their principals for consistently demonstrating exemplary teaching skills, leadership qualities, and professionalism during their first year of teaching. Applications were reviewed and overall winners were selected from the elementary, middle, and high school levels.

**Media Specialist of the Year**

Each school is eligible to nominate one School Nutrition employee for this award. From the list of nominees, the winner is selected by a panel of School Nutrition managers.

Assistant Principal of the Year
The recipient of this award is nominated and selected by fellow assistant principals in recognition of outstanding leadership and service to his/her school.

Principal of the Year
The recipient of this award is nominated and selected by fellow principals in recognition of outstanding leadership and service to his/her school.

“Pride in RCSS”
The “Pride in the Randolph County School System (RCSS)” program recognizes employees who display “pride in the school system” and “high character/high commitment” through their daily efforts. The primary focus is on smaller events associated with employees’ actions not as likely to attract much public attention. Nonetheless, actions by employees in relation to large events can be recognized as well.

Individuals selected for this recognition receive a “Pride in the Randolph County School System” lapel pin. Recipients of the pins are determined by the members of the RCSS Leadership Team, school principals, or Board of Education members.
