Hopewell Elementary School - Owen Guilliams - 2nd Grade

Owen Guilliams recently had a life-changing experience. Through it all, he has shown much strength and calmness. During his absence from school, Owen came to visit classmates and was open to discussing his experience and showing how he overcame challenges he faced. With assistance from his parents, Owen was able to stay on top of missed schoolwork. Owen has demonstrated niceness to friends, and is always sweet, polite, and respectful. He is intelligent, does outstanding work, and follows instructions. Owen deserves this award, not only because he is responsible and shows good manners, but also because of his courage, optimism, joyfulness, and resilience. Congratulations to Owen Guilliams, Hopewell Elementary School's STAR³ Student for December.

Ryleigh always looks for ways to help out teachers, too. She is an important member of the school's Library Leadership group and generously volunteers to help out the art teacher on a daily basis. Above all, she does everything with a smile. We are proud to have Ryleigh Collins represent John Lawrence Elementary School as our STAR³ Student for December.

She is a three-year member and current vice-president of AIM Club, a service-oriented club that strives to encourage achievement, inspiration, and motivation among peers. Her club adviser says that Xochitl is always on time and organized for meetings and events. The nominating teacher chose Xochitl for her outstanding work ethic, and says Xochitl has "such a positive attitude - consistently, every day, and is so respectful and always smiling." Audrey West is new to Trinity Elementary School this year and it has been a joy to have her with us. From the first day of third grade she has worked hard and had a positive demeanor. She tries her best at anything her teacher, Mrs. Ottaway, asks her to do. Audrey never gives up and always is looking for ways she can improve and extend her thinking. She has made tremendous growth in both reading and math already this year. Audrey is a great friend to her classmates, cares deeply for others, and wants to see them succeed. She helps keep her classmates organized and on task. Audrey even checks on her sister, who also attends our school, each day at lunch to make sure she is having a good day. When Audrey sees something needs to be done, she does it without seeking praise or recognition. Audrey's humble spirit, kind heart, positive demeanor, and hard work ethic are going to help her reach all of her goals. Trinity Elementary School is proud to recognize Audrey West as our STAR³ Student for December.
