To parents of the Randolph County School System,

Some changes to this year’s school calendar were approved by the Board of Education at the meeting on December 17. The changes apply to all schools with the exception of the Randolph Early College High School and are as follows:

1) January 2 is no longer a teacher workday. It has been changed to a full school day.
2) January 23 is no longer a teacher workday. It has been changed to a full school day.

Please know that these calendar changes were needed due to the school days missed on December 10-13 as a result of inclement weather. Also, as noted in the first part of this message, these calendar changes apply to all schools with the exception of the Randolph Early College High School.

Finally, I want to remind all parents about the 2-hour early release day on Friday, December 21. The early release day on Friday, December 21 will mark the beginning of our holiday break. Students will return to school on January 2.

I want to “thank” all parents for your support of our school system during the 2018-2019 school year. Without your support every day, the success of our school system would not be possible.

Thank you,
Stephen Gainey, Superintendent
