Grays Chapel Veteran’s Day Celebration

Grays Chapel held its annual Veteran's Day assembly on Thursday, November 10th. Veterans were introduced and shared the branch of the military in which they served. They were presented with Poppies and a small token of appreciation for their service to our country. Addi Routh shared an essay entitled “What Freedom Means to Me” and Mia Browder shared the items on “America’s White Table” and the symbolism behind each.

Classes made banners to thank our veterans.
