Randolph County Retired School Personnel presented Miss Samantha Breth with a check on Thursday, May 14, 2015. Miss Breth was chosen and adopted by the RCRSP group at the beginning of this school year. The group has supported and supplied Miss Breth with much needed classroom supplies throughout the school year. They also provided our staff with a display of cookies to show their appreciation. A special thanks to the Randolph County Retired School Personnel for its vision to help first year teachers in Randolph County have a successful school year.
