

Randolph County School System “STAR³ Students” for November 2018

Coleridge Elementary School - Braylen Brown - 1st Grade

Braylen Brown is a kind and responsible student who loves learning. In class, she sets an example for her peers by remaining on task, being responsible for turning in work, and working her hardest. In addition, she always is willing to help all students in class, whatever their need may be. Braylen is an all-around super student who truly enjoys learning and loves her school. She is a Coleridge Rocket, through and through! Coleridge Elementary School is proud to recognize Braylen Brown as our STAR³ Student for the month of November.

Eastern Randolph High School - Summer Luther - 10th Grade

Summer Luther comes to class every day with a positive attitude and has really improved after facing some difficult challenges last year. Her teachers say she always is willing to volunteer and help in class and is determined to succeed in her academics. Summer is a strong writer and loves drawing and art classes at Eastern Randolph. After high school, Summer wants to put her creative skills to good use and enroll in Randolph Community College's cosmetology program. We at Eastern Randolph are proud of Summer's accomplishments and know she will continue to do great things in her future as a Wildcat. Eastern Randolph High School is proud to select Summer Luther as our STAR³ Student for November.

Farmer Elementary School - Daniel Herbert - 2nd Grade

Daniel Herbert is an excellent student and role model to his peers. He always works hard and gives 100% on his assignments. Daniel often compliments his classmates and he is quick to offer help whenever he can. Congratulations to Daniel Herbert, Farmer Elementary School's STAR³ Student for November.

Randolph Early College High School - Makayla Kulick - 12th Grade

Makayla Kulick was selected for the STAR³ award because of her kind demeanor and her willingness to assist wherever needed. Her heart for helping is evident through her service last year as a junior marshal and as a three-year member, and current vice president, of Beta Club. This year, Makayla has been assisting in an English classroom to learn more about the teaching profession as a potential career path. Makayla Kulick has been a bright spot at Randolph Early College High School for the past three years and we are honored to recognize her as our STAR³ Student for September.

Seagrove Elementary School - Alaster Wansley - 4th Grade

Many students in our school system have to experience things most adults never do. Seagrove Elementary School's STAR³ Student, Alaster Wansley, is one of those students. Throughout the many challenges he has faced, he has shown perseverance, both in and out of the school building. He is a light in the school and lets his positive attitude shine no matter what is going on. Seagrove Elementary School is honored to call Alaster Wansley our STAR³ Student for November.

Southeastern Randolph Middle School - Esteban Ruiz-Perez - 7th Grade

Esteban Ruiz-Perez has an uncanny ability to make everyone smile, no matter the situation. He makes you believe that someone can actually have a heart of gold. Esteban spends time with his fellow classmates and his teachers in such a way that when they leave his presence, everyone is in a good mood. He does everything in his power to promote Southeastern Randolph Middle School and to make others feel great about themselves. No one can truly explain how Esteban puts a smile on everyone's face - it is something that needs to be experienced. The Southeastern Randolph Middle School staff members are lucky to know Esteban and selfishly never want him to leave. It is an honor to have Esteban Ruiz-Perez represent Southeastern Randolph Middle as our STAR³ Student for November.

Southmont Elementary School - Ame Salazar - Kindergarten

Ame Salazar is deserving of the STAR³ Student award, because she goes above and beyond. She always tries to do her best, whether it is on her school work, her behavior, or how she interacts with others within the school. When we read a story, Ame actively listens and participates. When she works in groups, plays with friends, and speaks to adults, she treats them with respect and helps them, if needed. Ame is an excellent choice for this award and is a great example of a Southmont student. It has been a pleasure getting to know Ame Salazar this year, and Southmont Elementary School congratulates her on being selected our STAR³ Student for November.

Southwestern Randolph High School - Melanie Hernandez - 12th Grade

"She always brightens my day!" "Melanie is an amazing student and an overall great young lady!" "Her smile and positive attitude make her a joy to teach!" These are just a few of the positive comments made by teachers about our STAR³ Student for November. Melanie Hernandez is a high-achieving, internally motivated young scholar who has a heart for service and for helping others. Melanie presently serves as president of our Health Occupations Student Organization and is an active member of our Beta Club. She cooks and sells items to local businesses to raise money for a mentoring program our Beta Club has started with an elementary school. Perhaps one of the most meaningful descriptions of this young student was the following: "Melanie is a sincere learner who is willing to question and think about issues from different perspectives." Our world needs more people like Melanie Hernandez, and we are pleased to recognize her as the Southwestern Randolph STAR³ Student for November.

Southwestern Randolph Middle School - Erica Hernandez - 8th Grade

Erica Hernandez works extremely hard in class and does her best to overcome any obstacles she may face. Not only is she a hard-working and confident student, but she also is the type of person who strives to help others, especially by setting an example of what a dedicated student is. Erica is kind, responsible, an advocate for self and others, and always goes the extra mile to ensure that she is doing her best. Teachers and students have nothing but great things to say about her. Southwestern Randolph Middle School is extremely proud to call Erica Hernandez our STAR³ Student for November.

Tabernacle Elementary School - Jaxon Davis - 1st Grade

Jaxon Davis was selected for this special award for his positive attitude and determination. He has faced many obstacles and continues to persevere each day. Jaxon is kind to everyone who meets him and has a smile that lights up a room. His sense of humor is contagious and enjoyed by all who know him. Tabernacle staff and students admire Jaxon's attitude and spirit towards life and feel he is truly a star! Congratulations to Jaxon Davis, Tabernacle Elementary School's STAR³ Student for November.

Uwharrie Ridge Six-Twelve - Kelsey Jones - 10th Grade

Kelsey Jones began at Uwharrie Ridge as an eighth grader, coming from another school where she had her group of friends and her own "attitude" about school. We remind Kelsey of this a lot, but will never forget how she rolled her eyes after we asked her about her first day. From that independent eighth grader, Kelsey found her place at Uwharrie Ridge and friends who love her. She also realized that teachers could and would love her as well. Kelsey has now begun her tenth grade year at Uwharrie Ridge with excellent grades and has made a determined effort to come to school each day and give it her best despite a huge loss in her personal life. Every year Kelsey becomes more confident in herself and her abilities. We could not be more proud of how far Kelsey has come in just two and half years. Congratulations to Kelsey Jones, Uwharrie Ridge Six-Twelve's STAR³ Student for November.
