

PPEERS is a two-year program to prepare outstanding educators to serve as school administrators in high-needs rural schools.

PPEERS provides participants with full in-state tuition and fees for the Masters in School Administration and salary replacement during the second year for the 10-month, full-time internship at the entry level state assistant principal salary rate for 2017-2018.

Participation in PPEERS requires commitment of 4 years of service as a school leader to the participant's district upon completion of the program.
