A Message to Randolph County School System Parents from Superintendent Dr. Stephen Gainey Regarding North Carolina School Report Cards

I want to make you aware of the state’s release of some important information about our school system and your child’s school. More specifically, the “North Carolina School Report Card” for each school and school system will be released by the state on April 30. Please note that you will be able to access these documents through a link to be posted on the webpage of your child’s school as well as the school system’s webpage. This link will be posted on these webpages on April 30. Also, the North Carolina Department of Public Instruction will provide a postcard with information regarding the “North Carolina School Report Card” for each student to take home. These postcards will be sent home upon the school system’s receipt of these documents from the North Carolina Department of Public Instruction. Thank you.
