Congratulations to Our “Pride in RCSS” Honorees for 2017-2018!

The Randolph County School System’s “Pride in RCSS” program recognizes employees who display “pride in the school system” and “high character.” The program is designed to help individuals hold the school system in ways often not visible to the public and their jobs with a high level of pride.

Any RCSS employee can receive a “Pride in RCSS” pin. The pins are distributed by members of the RCSS Leadership Team, principals, and Board of Education members, and may be given at any time. Employees are rewarded for doing something “special” to help the school system, regardless of the size or magnitude of the act.

Listed below are the “Pride in RCSS” pin recipients from May 1, 2017 to April 30, 2018. Thank you to these employees and their commitment to the Randolph County School System.

Archdale Elementary School
