Desiree's teachers describe her as hard working and having an amazingly positive attitude and outlook on life, despite the obstacles she faces. Desiree shared that before her mother passed she was able to promise her that she would graduate from college and look out for her little brothers. It is Desiree's goal to get back to cheerleading next year when her injuries are fully healed. Once she graduates from high school she plans to attend a four year college to become a neonatal nurse. Eastern Randolph High School is proud to honor Desiree Goss as our STAR³ Student for February.
