Alexis read all seventeen books on the "Battle of the Books" list to ensure that she could support her team. She "quietly" took a leadership role and pushed the team forward, while at the same time pushing herself to the fullest. With her gentle manner, Alexis seeks opportunities to help others while remaining considerate and empathetic. She serves our school as a safety patrol member, where she carries out her duties with the utmost care and responsibility. She has a gentle spirit which is calming to those she encounters. Lacey is dependable, patient, and caring. We feel Lacey would make an excellent special education teacher in the future! Dylan Routh is a remarkable young student who comes to school prepared, contributes to class discussions, and demonstrates an admirable work ethic. He worked tirelessly to organize a truck show, sell wristbands, and provide encouragement to classmates during a difficult time. Dylan Routh is one of a kind, and Providence Grove High School is proud to select him as our STAR<sup>3</sup> Student for April.

### **Randleman Elementary School - Addyson Dees - 3rd Grade**

Addyson Dees is a wonderful student who has grown tremendously this school year. She sets the example for other students throughout the school by being a role model, a leader, and someone we are proud to call a Randleman Tiger. Addyson will help anyone at any time without asking any questions. She is a member of the Student Government Association and Safety Patrol, and still keeps her grades up in the classroom. If we gave superlatives in third grade, Addyson would definitely win "Best All-Around." Once a quiet and reserved student, Addyson can now be seen talking to peers and adults alike throughout the day. She is a role model student whose attitude, manners, and effort make her worthy of being selected Randleman Elementary School's STAR<sup>3</sup> Student for April.

### **Randleman High School - Brandon Hill - 12th Grade**

Brandon Hill is a student who has flown under the radar. Last year he was chosen, after an extensive interview process, to be in the first round of Apprentice Randolph students. He was selected to be a part of Hubbell Industrial Controls, using skills acquired in Randleman High School's electronics program. Brandon's senior year schedule is unlike most seniors. He works at Hubbell from 7:00 a.m. to 11:00 a.m.

and then comes to high school and attends classes. At the end of the school day, Brandon attends classes at Randolph Community College, which are part of his apprenticeship at Hubbell. He has homework both in high school and through Randolph Community College, and has been able to maintain a 3.8 grade point average. Brandon Hill is hard-working, reliable, and successful, and Randleman High School is proud to honor him as our STAR<sup>3</sup> Student for April.

**Randleman Middle School - Victor Gonzalez Vega - 7th Grade**

Victor Gonzalez Vega has made a positive impact in multiple areas of the school. As a leader in the classroom, he is always helpful, polite, and hard-working, and he goes above and beyond to do the right thing. Victor comes to class prepared and ready to work every day. He can often be found helping other students, volunteering to help teachers, and even picking up paper around the school. Victor's helpful demeanor and positive impact continue outside of the school day. His bus often has substitute drivers and Victor assists them in knowing the route. Without being asked, Victor sits behind the driver's seat to help as needed. Randleman Middle School is honored to select Victor Gonzalez Vega as our STAR<sup>3</sup> Student for April.
