Archdale Elementary School - David Salinas-Cornejo - 4th Grade

David Salinas Cornejo is in Ms. Sutton's class. He is a hard worker and is always respectful to his teachers. One thing that sets David apart is his spirit of gratitude. He is so appreciative of everything! He is quick to thank his friends and teachers for the smallest things and he is always looking out for others. Once, when his reading teacher was giving out stickers at the end of the lesson, David asked if he could give his sticker to a student who was absent that day. He did not want his fellow student to miss out! We are truly grateful to have David Salinas Cornejo as part of our Archdale Elementary family and are delighted to honor him as our STAR³ Student for March.

Ayleen is a hardworking student who never lets anything get in her way. She is determined to do her best, no matter what the students around her are doing. Bailey was a summer intern for the Trinity agriculture department where she was instrumental in the development of a first grade curriculum for agriculture for the local elementary schools. Bailey has won numerous awards showing goats. Anyone who knows Bailey knows that her personality shines and she illuminates positivity and Bulldog Nation is better with her in it. Congratulations to Bailey Davis on being selected Trinity High's STAR³ Student for March.

has given guidance and inspiration to classmates. His never-give-up attitude and personality echo in the halls and classrooms. Cody is a true role model. He has certainly built and forged lasting relationships with the adults in our building.
