Misc. Notes

- Students must be counted present at school in order to attend any extra-curricular activity.
- Students who serve a consequence issued by an administrator may not participate in any activity taking place that day.
- Students enrolled in band or chorus are expected to attend concerts as those are part of the class and do not count as extra-curricular activities. Any attendance issues with concerts must be communicated to Mr. Butler in order to work out an alternate assignment.
- Students are encouraged to find something at school they connect with. Overwhelming research suggests students that are connected to an activity will perform better in classes and have a better outlook on school in general.
Open House Information

We are excited about the opportunity to begin another school year and want to provide you with the opportunity to meet your child’s teachers for the 2018-2019 school year. Our Open House is structured to allow our 6th graders to have an opportunity to get acclimated to their schedule and acquainted with their peers and teachers, as well as obtain general information about middle school. We also hold our 7th and 8th grade Open House at a different time to allow students and parents to pick up student schedules as well as meet elective teachers and core teachers.

- **6th Grade Open House will run from 3:00 pm until 5:00 pm.** Sign-in will begin at 2:30 pm in the gym lobby, where students can pick up their schedules and locate their homeroom teacher. Students and parents will meet in the gym at 3:00 pm for a general presentation from administration and guidance and students/parents will break off to attend first period at approximately 3:20 pm. After spending 15 minutes with each of their teachers (four core teachers total), they will move to elective classes at approximately 4:20 pm and will have 15 minutes with each elective teacher before the Open House ends at 5:00 pm. Afterward, tables will be set up in the gym for parents to purchase t-shirts from athletic boosters, gym locks from PTO, and information regarding bus transportation. We will also have opportunities for parents to pay supply fees and get signed up for access to viewing their child’s grades throughout the year. The schedule is listed below in bulleted format.
  - Sign-In – 2:30-3:00 pm
  - Welcome/Info Session (Gym) – 3:00-3:20 pm
  - 1st Period – 3:20-3:35 pm
  - 2nd Period – 3:35-3:50 pm
  - 3rd Period – 3:50-4:05 pm
  - 5th Period – 4:05-4:20 pm
  - 1st Elective – 4:25-4:40 pm
  - 2nd Elective – 4:45-5:00 pm

- **7th and 8th Grade Open House will run from 5:30 pm until 7:00 pm.** Students and parents will find their child’s homeroom teacher listed on the bulletin board of the respective grade level hallway and obtain their child’s schedule from their homeroom teacher. Students in both grades will have a floating schedule upon the receipt of their schedule to meet their core and elective teachers. Tables will be set up in the gym from athletic boosters, PTO, and other pertinent individuals that can assist with answering further questions.

Please let us know if you have any further questions regarding Open House or the beginning of school. Please also continue to check the school and district websites for any updates and feel free to give us a call at (336) 381-3900 for further assistance. **7th grade student reminder: please make sure to get your vaccinations as soon as possible if you have not done so already.** It’s an honor and a privilege to work with you this year in providing a quality education for your child, and we are excited about the things we will accomplish together this year!
