The Bulldog Community Connection

The bond between Trinity High School and the Archdale-Trinity community makes the high school a structure that supports many local residents. This symbiotic relationship places the school in a vital position for providing multiple services to the community at-large. Another component of the school’s service to the community is in the support of noteworthy local charities. The month of October witnessed three important examples of ways that THS supports its community and vice versa.

The First Annual Trinity Alumni Basketball Tournament was held on October 6, 2018 at the THS gymnasium. This event featured basketball players and cheerleaders from across the years of Trinity High Basketball. It was a great opportunity for old friends to renew bonds while helping a worthy cause. There were women’s and men’s divisions, and all money raised was donated to the Run 5, Feed 5 charity.
The tragedy of the Bova family that occurred during the summer of 2018 provoked an outpouring of support from the community for Tyler Bova, the young man who survived the devastating automobile crash that claimed his family. On October 13, 2018 the Trinity Football team hosted Jordan-Matthews in a home conference game. Before the game, there was a Tailgating for Tyler event that raised money to help with medical and living expenses for Tyler. In addition, the team donned jerseys that were won in a nationwide contest that required community involvement through voting on the company’s website. The Bulldogs won the contest in a landslide, in which THS received over 1900 more votes than its closest competitor. The jerseys that the team wore for this special night featured the caption: “Bova Strong”.
Trinity High School hosts a Trunk or Treat event every year in the days preceding Halloween. This year, the event was sponsored by the THS Student Council on October 29, 2018. There were many cars in the lot that offered typical Halloween treats to the event goers. There was also food, like hotdogs, chips, and cupcakes, and games, like a bean bag toss and a cakewalk, for the many boys and girls that attended. Attendance at this event was estimated to be about 250, and all proceeds went to the THS Student Council.

It is very clear that Trinity High School has a deep connection to its community. The fall is a great time of the year to host events that provide a place for people to mingle and partake in good, safe, family-oriented fun. THS provides a great common area for residents of all ages to come together to love and support each other.
