

2021-2022 Letter to Households

Dear Parent/Guardian:

Children need healthy meals to learn. Rappahannock County Public Schools offers healthy meals every school day. For the 2021-2022 School Year, Rappahannock County Public Schools will be serving meals under the Seamless Summer Option (SSO). All meals will be provided at no charge.

All meals served must meet standards established by the U.S. Department of Agriculture (USDA). USDA regulation, [7CFR15b](#), requires schools participating in federal school meal programs to make reasonable accommodations for children who would otherwise be unable to participate in the meal program due to disabilities restricting their diet. In order for these children to participate in meal service, school food authorities (SFAs) must make reasonable modifications to the school meals served and there will be no extra charge for the meal. If your student needs dietary accommodations due to a disability, please contact Julie Banks at 540-227-0023, 540-227-0200 or jbanks@rappahannockschools.us for further information.

The USDA is allowing school divisions to operate the SSO during school year 2021-2022. This flexibility allows the school division to continue to provide healthy and nutritious meals at **no charge to all students**. However, completing a household income application may help your household qualify for further benefits through Pandemic Electronic Benefit Transfer (P-EBT) payments. When a household income application is submitted to the school, an eligibility determination will be made and the household will be notified.

All children in households receiving Supplemental Nutrition Assistance Program (SNAP) benefits or Temporary Assistance for Needy Families (TANF) are eligible for free meals. Foster children who are the legal responsibility of a foster care agency or court are eligible for free meals. Students who are eligible for Medicaid may also be eligible for free or reduced-price meals based on the household's income. Children who are members of households participating in WIC *may* also be eligible for free or reduced-price meals based on the household's income. If your total household income is at or below the Federal Income Eligibility Guidelines, shown on the chart below, your child(ren) may get free meals **or** reduced-price meals. Your child(ren)'s application from last school year is only good for the first thirty days of this school year. **You must send in a new household application for each school year.**

FEDERAL INCOME GUIDELINES: Your child(ren) may be eligible for free meals or reduced-price meals if your household income is within the limits on the Federal Income Eligibility Guidelines chart shown below:

HOW TO APPLY

Households that are receiving SNAP or TANF for their children as of July 1 may not have to fill out an application. School officials will notify you in writing of your child(ren)'s eligibility for free meal benefits. Once notified, your child(ren) will receive free meals unless you tell the school that you do not want benefits. **If you are not notified by 8/31/21, you must submit an application.** The application must contain the names of all students in the household, the SNAP or TANF case number, and the signature of an adult household member.

If you do not receive SNAP or TANF benefits for your child(ren), complete the application and return it to the school division. If you do not list a SNAP or TANF case number for the child(ren) you are applying for, then the application must have the names of all students, the names of **all** other household members, the amount of income each person received last month, and how often the income was received. An adult household member **must sign the application** and include the last four digits of the social security number. If the person does not have a social security number, check the box provided indicating none. You or your child(ren) do not have to be U.S. citizens to qualify for free or reduced-price meals.

If you are applying for a foster child, who is the legal responsibility of a welfare agency or court, an application may not be required. Contact Julie Banks at 540-227-0023 or 540-227-0200 for more information. If you are applying for a homeless, migrant, or runaway child, an application may not be necessary. Contact Julie Banks at 540-227-0023 or 540-227-0200 for more information.

An application that is not complete cannot be approved. An application that is not signed is not complete. You must send in a new application each school year.

OTHER BENEFITS: Your child(ren) may be eligible for other benefits such as P-EBT, the Virginia children's health insurance program called Family Access to Medical Insurance Security (FAMIS), and/or Medicaid. The law allows the school division to share your free or reduced-price meal eligibility information with Medicaid and FAMIS. These programs can only use the information to identify children who may be eligible for free or low-cost health insurance, and to enroll them in either Medicaid or FAMIS. These agencies are not allowed to use the information from your free or reduced-price meal application for any other purpose. Medicaid officials or officials with FAMIS may contact you to get more information. You are not required to allow us to share this information with Medicaid or the FAMIS

program. Your decision will not affect your children's eligibility for free and reduced-price meals. If you do not want your information shared, please check the appropriate box in Section 6 of the application. You may qualify for other assistance programs. To find out how to apply for SNAP or other assistance programs, contact the local social service office in your area.

CONFIDENTIALITY AND NOTICE OF DISCLOSURE: School officials use the information on the application to determine if your child is eligible to receive free or reduced-price meals and to verify eligibility. As authorized by the National School Lunch Act, the school division may inform officials connected with other child nutrition, health, and education programs of the information on your application to determine benefits for those programs or for funding and/or evaluation purposes.

VERIFICATION: School officials may check your eligibility at any time during the school year. School officials may ask you to send information to prove that your child(ren) should receive free or reduced-price meals.

FAIR HEARING: If you do not agree with the decision on your application or the results of verification, you may wish to discuss it with officials in the school nutrition office at the telephone number below. If you wish to review the final decision on your application you also have the right to a fair hearing. You can request a hearing by calling or writing the following official:
