Next Meeting

July 27, 2015 @ 4:00

- Think about your experience with Rappahannock Public Schools. List at least five strengths of the school division. At least two should relate to students, and at least one should relate to each of the following groups: faculty and staff; parents; and the community at large.
- Also, thinking about your experience with RCPS, list at least four areas that need improvement. Again, your list should have at least one item each relating to students, faculty and staff, and community at large.
- Bring your list to the initial meeting and be prepared to support your listed items with examples or evidence.

Biennial Updates of Current Plan will be given at coming Board meetings

- ▣ Tonight's board meeting included an update on our facilities.
