RED OAK ISD

STUDENT  
CODE OF CONDUCT

## Accessibility

If you have difficulty accessing the information in this document because of disability, please contact Kevin Freels, Assistant Superintendent of District Operations, at [kevin.freels@redoakisd.org](mailto:kevin.freels@redoakisd.org) or 972.617.2941.

## Purpose

Education in this community represents a significant commitment of financial and human resources. The benefits a student derives from investment depend very much on the student's attitude toward learning and the student's adherence to high standards of behavior.

The Student Code of Conduct is the district's response to the requirements of Chapter 37 of the Texas Education Code.

The Code provides methods and options for managing students in the classroom and on school grounds, disciplining students, and preventing and intervening in student discipline problems.

The law requires the district to define misconduct that may - or must - result in a range of specific disciplinary consequences including removal from a regular classroom or campus, suspension, placement in a disciplinary alternative education program (DAEP), placement in a juvenile justice alternative education program (JJAEP), or expulsion from school.

This Student Code of Conduct has been adopted by the Red Oak ISD Board of Trustees and developed with the advice of the district-level committee. This Code provides information to parents and students regarding standards of conduct, consequences of misconduct, and procedures for administering discipline. It remains in effect during summer school and at all school-related events and activities outside of the school year until an updated version adopted by the board becomes effective for the next school year.

In accordance with state law, the Code will be posted at each school campus or will be available for review at the office of the campus principal. Additionally, the Code shall be available at the office of the campus behavior coordinator and posted on the district's website. Parents will be notified of any conduct violation that may result in a student being suspended, placed in a DAEP or JJAEP, expelled, or taken into custody by a law enforcement officer under Chapter 37 of the Education Code.

Because the Student Code of Conduct is adopted by the district's board of trustees, it has the force of policy; therefore, in case of conflict between the Code and the Student Handbook, the Code will prevail.

**Please Note:** The discipline of students with disabilities who are eligible for services under federal law (Individuals with Disabilities Education Act and Section 504 of the Rehabilitation Act of 1973) is subject to the provisions of those laws.

## School District Authority and Jurisdiction

### Campus Behavior Coordinator

As required by law, a person at each campus must be designated to serve as the campus behavior coordinator. The designated person may be the principal of the campus or any other campus administrator selected by the principal. The campus behavior coordinator is primarily responsible for maintaining student discipline. In Red Oak ISD, the campus behavior coordinator will be the campus principal or any other administrator selected by the principal.

The campus behavior coordinator and any district administrator retain the ability and/or power under Chapter 37 of the Texas Education Code, to discipline a student.

School rules and the authority of the district to administer discipline apply whenever the interest of the district is involved, on or off school grounds, in conjunction with or independent of classes and school-sponsored activities.

The district has disciplinary authority over a student:

1. During the regular school day and while the student is going to and from school on district transportation;
2. During lunch periods in which a student is allowed to leave campus;
3. While the student is in attendance at any school-related activity, regardless of time or location;
4. For any school-related misconduct, regardless of time or location;
5. When retaliation against a school employee, board member, or volunteer occurs or is threatened, regardless of time or location;
6. When a student engages in cyberbullying, as provided by Education Code 37.0832;
7. When criminal mischief is committed on or off school property or at a school-related event;
8. For certain offenses committed within 300 feet of school property as measured from any point on the school's real property boundary line;
9. For certain offenses committed while on school property or while attending a school-sponsored or school-related activity of another district in Texas;
10. When the student commits a felony, as provided by Education Code 37.006 or 37.0081; and
11. When the student is required to register as a sex offender.

The district has the right to search a vehicle driven to school by a student and parked on school property whenever there is reasonable cause to believe it contains articles or materials prohibited by the district.

The district has the right to search a student's locker or desk when there is reasonable cause to believe it contains articles or materials prohibited by the district.

## **Reporting Crimes**

The principal or campus behavior coordinator and other school administrators as appropriate will report crimes as required by law and will call local law enforcement (Red Oak ISD Police) when an administrator suspects that a crime has been committed on campus.

## **'Parent' Defined**

Throughout the Code of Conduct and related discipline policies, the term "parent" includes a parent, legal guardian, or other person having lawful control of the child.

## **Participating in Graduation Activities**

The district has the right to limit a student's participation in graduation activities for violating the district's Code.

Participation might include a speaking role, as established by district policy and procedures.

Students eligible to give the opening and closing remarks at graduation shall be notified by the campus principal. Notwithstanding any other eligibility requirements, in order to be considered as an eligible student to give the opening or closing remarks, a student shall not have engaged in any misconduct in violation of the district's Code resulting in an out-of-school suspension, removal to a DAEP, or expulsion during the semester immediately preceding graduation.

The valedictorian and salutatorian may also have speaking roles at graduation. No student shall be eligible to have such a speaking role if he or she engaged in any misconduct in violation of the district's Code resulting in an out-of-school suspension, removal to a DAEP, or expulsion during the semester immediately preceding graduation.

## **Unauthorized Persons**

In accordance with Education Code 37.105, a school administrator, school resource officer (SRO), or district police officer shall have the authority to refuse entry or eject a person from district property if the person refuses to leave peaceably on request and:

1. The person poses a substantial risk of harm to any person; or
2. The person behaves in a manner that is inappropriate for a school setting, and the person persists in the behavior after being given a verbal warning that the behavior is inappropriate and may result in refusal of entry or ejection.

Appeals regarding refusal of entry or ejection from district property may be filed in accordance with FNG(LOCAL) or GF(LOCAL), as appropriate.

See **DAEP-Restrictions During Placement** for information regarding a student assigned to DAEP at the time of graduation.

## **Standards for Student Conduct**

Each student is expected to:

- Demonstrate courtesy, even when others do not.

The district may impose campus or classroom rules in addition to those found in the Student Code of Conduct. These rules may be listed in the Student Handbook or posted in classrooms, and may or may not constitute violations of the Student Code of Conduct.

## **General Conduct Violations**

The categories of conduct below are prohibited at school, in vehicles owned or operated by the district, and at all school-related activities, but the list does not include the most severe offenses. In the subsequent sections on Suspension, DAEP Placement, Placement and/or Expulsion for Certain Serious Offenses, and Expulsion, severe offenses that require or permit specific consequences are listed. Any offense, however, may be severe enough to result in Removal from the Regular Educational Setting as detailed in that section.

- Repeatedly violate other communicated campus or classroom standards of conduct.

The district may impose campus or classroom rules in addition to those found in the Code. These rules may be posted in classrooms or given to the student and may or may not constitute violations of the Code.

# Discipline Management Techniques

Discipline will be designed to improve conduct and to encourage students to adhere to their responsibilities as members of the school community. Disciplinary action will draw on the professional judgment of teachers and administrators and on a range of discipline management techniques, including restorative discipline practices. Discipline will be correlated to the seriousness of the offense, the student's age and grade level, the frequency of misbehavior, the student's attitude, the effect of the misconduct on the school environment, and statutory requirements.

Because of these factors, discipline for a particular offense, including misconduct in a district vehicle owned or operated by the district, unless otherwise specified by law, may bring into consideration varying techniques and responses.

## Students with Disabilities

The discipline of students with disabilities is subject to applicable state and federal law in addition to the Student Code of Conduct. To the extent any conflict exists, state and/or federal law will prevail.

In accordance with the Education Code, a student who receives special education services may not be disciplined for conduct meeting the definition of bullying, cyberbullying, harassment, or making hit lists (see glossary) until an ARD committee meeting has been held to review the conduct.

In deciding whether to order suspension, DAEP placement, or expulsion, regardless of whether the action is mandatory or discretionary, the district will take into consideration a disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct.

## Techniques

The following discipline management techniques may be used alone, in combination, or as part of progressive interventions for behavior prohibited by the Student Code of Conduct or by campus or classroom rules:

- Verbal correction, oral or written.
- Cooling-off time or "time-out."
- Seating changes within the classroom or vehicles owned or operated by the district.
- Temporary confiscation of items that disrupt the educational process.
- Rewards or demerits.
- Behavioral contracts.
- Counseling by teachers, school counselors, or administrative personnel.
- Parent-teacher conferences.
- Behavior coaching.
- Anger management classes.
- Mediation (victim-offender).
- Family group conferencing.
- Grade reductions for cheating, plagiarism, and as otherwise permitted by policy.

- Detention, including outside regular school hours.
- Sending the student to the office or other assigned area, or to in-school suspension.
- Assignment of school duties such as cleaning or picking up litter.
- Withdrawal of privileges, such as participation in extracurricular activities, eligibility for seeking and holding honorary offices, or membership in school-sponsored clubs and organizations.
- Penalties identified in individual student organizations' extracurricular standards of behavior.
- Restriction or revocation of district transportation privileges.
- School-assessed and school-administered probation.
- Out-of-school suspension, as specified in the Out-of-School Suspension section of this Code.
- Placement in a DAEP, as specified in the DAEP section of this Code.
- Placement and/or expulsion in an alternative educational setting, as specified in the Placement and/or Expulsion for Certain Serious Offenses section of this Code.
- Expulsion, as specified in the Expulsion section of this Code.
- Referral to an outside agency or legal authority for criminal prosecution in addition to disciplinary measures imposed by the district.
- Other strategies and consequences as determined by school officials.

## **Notification**

The campus behavior coordinator will promptly notify a student's parent by phone or in person of any violation that may result in in-school or out-of-school suspension, placement in a DAEP, placement in a JJAEP, or expulsion. The campus behavior coordinator shall also notify a student's parent if the student is taken into custody by a law enforcement officer under the disciplinary provisions of the Education Code. A good faith effort shall be made on the day the action was taken to provide to the student for delivery to the student's parent written notification of the disciplinary action. If the parent has not been reached by telephone or in person by 5:00 p.m. of the first business day after the day the disciplinary action was taken, the campus behavior coordinator shall send written notification by U.S. Mail. If the campus behavior coordinator is not able to provide notice to the parent, the principal or designee shall provide the notice.

Before the principal or appropriate administrator assigns a student under 18 to detention outside regular school hours, notice shall be given to the student's parent to inform him or her of the reason for the detention and permit arrangements for necessary transportation.

## **Appeals**

Questions from parents regarding disciplinary measures should be addressed to the teacher, campus administration, or campus behavior coordinator, as appropriate. Appeals or complaints regarding the use of specific discipline management techniques should be addressed in accordance with policy FNG(LOCAL). A copy of the policy may be obtained from the principal's office, the campus behavior coordinator's office, the central administration office, or on the district's website under School Board Policy at [www.redoakisd.org](http://www.redoakisd.org).

Consequences will not be deferred pending the outcome of a grievance.

## Removal from the School Bus

A bus driver may refer a student to the principal, campus behavior coordinator, or designated district administrator's office to maintain effective discipline on the bus. The principal, campus behavior coordinator, or designated district administrator must employ additional discipline management techniques, as appropriate, which can include restricting or revoking a student's bus riding privileges.

Since the district's primary responsibility in transporting students in district vehicles is to do so as safely as possible, the operator of the vehicle must focus on driving and not have his or her attention distracted by student misbehavior. Therefore, when appropriate disciplinary management techniques fail to improve student behavior or when specific misconduct warrants immediate removal, the principal, campus behavior coordinator, or designated district administrator may restrict or revoke a student's transportation privileges, in accordance with law.

## Removal from the Regular Educational Setting

In addition to other discipline management techniques, misconduct may result in removal from the regular educational setting in the form of a routine referral or a formal removal.

### Routine Referral

A routine referral occurs when a teacher sends a student to the campus behavior coordinator's office as a discipline management technique. The campus behavior coordinator shall employ alternative discipline management techniques, including progressive interventions. A teacher or administrator may remove a student from class for a behavior that violates this Code to maintain effective discipline in the classroom.

### Formal Removal

A teacher may also initiate a formal removal from class if:

1. The student's behavior has been documented by the teacher as repeatedly interfering with the teacher's ability to teach his or her class or with the student's classmates' ability to learn; or
2. The behavior is so unruly, disruptive, or abusive that the teacher cannot teach, and the students in the classroom cannot learn.

Within three school days of the formal removal, the campus behavior coordinator or appropriate administrator will schedule a conference with the student's parent; the student; the teacher, in the case of removal by a teacher; and any other administrator.

At the conference, the campus behavior coordinator or appropriate administrator will inform the student of the misconduct for which he or she is charged and the consequences. The student will have an opportunity to give his or her version of the incident.

When a student is removed from the regular classroom by a teacher and a conference is pending, the campus behavior coordinator or other administrator may place the student in:

- Another appropriate classroom.
- In-school suspension.
- Out-of-school suspension.
- DAEP.

A teacher or administrator must remove a student from class if the student engages in behavior that under the Education Code requires or permits the student to be placed in a DAEP or expelled. When removing for those reasons, the procedures in the subsequent sections on DAEP or expulsion shall be followed.

### **Returning Student to Classroom**

When a student has been formally removed from class by a teacher for conduct against the teacher containing the elements of assault, aggravated assault, sexual assault, aggravated sexual assault, murder, capital murder, or criminal attempt to commit murder or capital murder, the student may not be returned to the teacher's class without the teacher's consent.

When a student has been formally removed by a teacher for any other conduct, the student may be returned to the teacher's class without the teacher's consent, if the placement review committee determines that the teacher's class is the best or only alternative available.

## **Out-of-School Suspension**

### **Misconduct**

Students may be suspended for any behavior listed in the Code as a general conduct violation, DAEP offense, or expellable offense.

The district shall not use out-of-school suspension for students in grade 2 or below unless the conduct meets the requirements established in law.

A student in grade 2 or below shall not be placed in out-of-school suspension unless, while on school property or while attending a school-sponsored or school-related activity on or off school property, the student engages in:

- Conduct that contains the elements of a weapons offense, as provided in Penal Code Section 46.02 or 46.05;
- Conduct that contains the elements of assault, sexual assault, aggravated assault, or aggravated sexual assault, as provided by the Penal Code; or
- Selling, giving, or delivering to another person or possessing, using, or being under the influence of any amount of marijuana, an alcoholic beverage, or a controlled substance or dangerous drug as defined by federal or state law.

The district shall use a positive behavior program as a disciplinary alternative for students in grade 2 or below who commit general conduct violations instead of suspension or placement in a DAEP. The program shall meet the requirements of law.

### **Process**

State law allows a student to be suspended for no more than three school days per behavior violation, with no limit on the number of times a student may be suspended in a semester or school year.

Before being suspended a student will have an informal conference with the campus behavior coordinator or appropriate administrator, who shall advise the student of the conduct of which he or she is accused. The student will be given the opportunity to explain his or her version of the incident before the administrator's decision is made.

The number of days of a student's suspension will be determined by the campus behavior coordinator, but will not exceed three school days. While suspended, a student may not participate in or attend any school-sponsored activity.

In deciding whether to order out-of-school suspension, the campus behavior coordinator shall take into consideration:

1. Self-defense (see glossary),
2. Intent or lack of intent at the time the student engaged in the conduct,
3. The student's disciplinary history, or
4. A disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct.

## **Disciplinary Alternative Education Program (DAEP) Placement**

The DAEP shall be provided in a setting other than the student's regular classroom. An elementary school student may not be placed in a DAEP with a student who is not an elementary school student.

For purposes of DAEP, elementary classification shall be kindergarten–grade 5 and secondary classification shall be grades 6–12.

Summer programs provided by the district may serve students assigned to a DAEP in conjunction with other students.

A student who is expelled for an offense that otherwise would have resulted in a DAEP placement does not have to be placed in DAEP in addition to the expulsion.

In deciding whether to place a student in a DAEP, regardless of whether the action is mandatory or discretionary, the campus behavior coordinator will take into consideration:

1. Self-defense (see glossary),
2. Intent or lack of intent at the time the student engaged in the conduct,
3. The student's disciplinary history, or
4. A disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct.

## **Discretionary Placement: Misconduct That May Result in DAEP Placement**

A student may be placed in a DAEP for behaviors prohibited in the General Conduct Violations section of this Code.

### **Misconduct Identified in State Law**

In accordance with state law, a student may be placed in a DAEP for any one of the following offenses:

- Engaging in bullying that encourages a student to commit or attempt to commit suicide.
- Inciting violence against a student through group bullying.
- Releasing or threatening to release intimate visual material of a minor or a student who is 18 years of age or older without the student's consent.

- Involvement in a public school fraternity, sorority, or secret society, including participating as a member or pledge, or soliciting another person to become a pledge or member of a public school fraternity, sorority, secret society, or gang. (See glossary.)
- Involvement in street gang activity, including participation as a member or pledge, or soliciting another person to become a pledge or member of a gang. (See glossary.)
- Any criminal mischief, including a felony.
- Exhausting all consequences of the campus discipline plan due to serious and persistent misconduct.
- Any incident of fighting.
- Assault (no bodily injury) with threat of imminent bodily injury.
- Assault by offensive or provocative physical contact.

In accordance with state law, a student may be placed in a DAEP if the superintendent or the superintendent's designee has reasonable belief (see glossary) that the student has engaged in conduct punishable as a felony, other than aggravated robbery or those listed as offenses in Title 5 (see glossary) of the Texas Penal Code, that occurs off school property and not at a school-sponsored or school-related event, if the student's presence in the regular classroom threatens the safety of other students or teachers or will be detrimental to the educational process.

The campus behavior coordinator may, but is not required to, place a student in a DAEP for off-campus conduct for which DAEP placement is required by state law if the administrator does not have knowledge of the conduct before the first anniversary of the date the conduct occurred.

### **Mandatory Placement: Misconduct That Requires DAEP Placement**

A student must be placed in a DAEP if the student:

- Engages in conduct relating to a false alarm or report (including a bomb threat) or a terroristic threat involving a public school. (See glossary.)
- Commits the following offenses on school property or within 300 feet of school property as measured from any point on the school's real property boundary line, or while attending a school-sponsored or school-related activity on or off school property:
  - Engages in conduct punishable as a felony.
  - Commits an assault (see glossary) under Texas Penal Code 22.01(a)(1).
  - Sells, gives, or delivers to another person, or possesses, uses, or is under the influence of marijuana, a controlled substance, or a dangerous drug in an amount not constituting a felony offense. A student with a valid prescription for low-THC cannabis as authorized by Chapter 487 of the Health and Safety Code does not violate this provision. (School-related felony drug offenses are addressed in the Expulsion section.) (See glossary for "under the influence.")
  - Sells, gives, or delivers to another person an alcoholic beverage; commits a serious act or offense while under the influence of alcohol; or possesses, uses, or is under the influence of alcohol, if the conduct is not punishable as a felony offense. (School-related felony alcohol offenses are addressed in the Expulsion section.)

- Behaves in a manner that contains the elements of an offense relating to abusable volatile chemicals.
- Behaves in a manner that contains the elements of the offense of public lewdness or indecent exposure.
- Engages in expellable conduct and is between six and nine years of age.
- Commits a federal firearms violation and is younger than six years of age.
- Engages in conduct that contains the elements of the offense of retaliation against any school employee or volunteer on or off school property. (Committing retaliation in combination with another expellable offense is addressed in the Expulsion section of this Code.)
- Engages in conduct punishable as aggravated robbery or a felony listed under Title 5 (see glossary) of the Texas Penal Code when the conduct occurs off school property and not at a school-sponsored or school-related event and:
  1. The student receives deferred prosecution (see glossary),
  2. A court or jury finds that the student has engaged in delinquent conduct (see glossary), or
  3. The superintendent or designee has a reasonable belief (see glossary) that the student engaged in the conduct.

### **Sexual Assault and Campus Assignments**

If a student has been convicted of continuous sexual abuse of a young child or children or convicted of or placed on deferred adjudication for sexual assault or aggravated sexual assault against another student on the same campus, and if the victim's parent or another person with the authority to act on behalf of the victim requests that the board transfer the offending student to another campus, the offending student shall be transferred to another campus in the district. If there is no other campus in the district serving the grade level of the offending student, the offending student will be transferred to a DAEP.

### **Process**

Removals to a DAEP will be made by the campus behavior coordinator or appropriate administrator.

### **Conference**

When a student is removed from class for a DAEP offense, the campus behavior coordinator or appropriate administrator will schedule a conference within three school days with the student's parent, the student, and the teacher, in the case of a teacher removal.

At the conference, the campus behavior coordinator or appropriate administrator will inform the student, orally or in writing, of the reasons for the removal and will give the student an explanation of the basis for the removal and an opportunity to respond to the reasons for the removal.

Following valid attempts to require attendance, the district may hold the conference and make a placement decision regardless of whether the student or the student's parents attend the conference.

### **Consideration of Mitigating Factors**

In deciding whether to place a student in a DAEP, regardless of whether the action is mandatory or discretionary, the campus behavior coordinator shall take into consideration:

1. Self-defense (see glossary),
2. Intent or lack of intent at the time the student engaged in the conduct,
3. The student's disciplinary history, or
4. A disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct.

### **Placement Order**

After the conference, if the student is placed in the DAEP, the campus behavior coordinator will write a placement order. A copy of the DAEP placement order will be sent to the student and the student's parent.

Not later than the second business day after the conference, the board's designee will deliver to the juvenile court a copy of the placement order and all information required by Section 52.04 of the Family Code.

If the student is placed in the DAEP and the length of placement is inconsistent with the guidelines included in this Code, the placement order will give notice of the inconsistency.

### **Coursework Notice**

The parent or guardian of a student placed in DAEP shall be given written notice of the student's opportunity to complete a foundation curriculum course in which the student was enrolled at the time of removal and which is required for graduation, at no cost to the student. The notice shall include information regarding all methods available for completing the coursework.

### **Length of Placement**

The duration of a student's placement in a DAEP will be determined by the campus behavior coordinator.

The duration of a student's placement will be determined on a case-by-case basis. DAEP placement will be correlated to the seriousness of the offense, the student's age and grade level, the frequency of misconduct, the student's attitude, and statutory requirements.

The following are suggested guidelines for length of placement within the Red Oak ISD DAEP:

- 5-15 days of discretionary placement for the first incident of fighting in grades 6-12.
- 15 days for discretionary placement for students in grades K-5 that consists primarily of persistent misconduct displayed on campus and for which the campus discipline plan has been applied to the stage where removal from campus and placement in DAEP is indicated. The second (2<sup>nd</sup>) discretionary campus removal and program assignment could be for 30 days. A student who is disciplined for fighting on campus on two (2) separate and distinct instances could be placed in DAEP for 30 days. With elementary students K-5, the management of fighting on campus may include other consequences in lieu of placement in DAEP at principal discretion.
- 30 days for discretionary placement for secondary students (grades 6-12) that consists primarily of persistent misconduct displayed on campus and for which the campus discipline plan has been applied to the stage where removal from campus and placement in DAEP is indicated. The second (2<sup>nd</sup>) discretionary campus removal and program assignment could be

for 60 days. A student who is disciplined for fighting on campus in two (2) separate and distinct instances could be placed in DAEP for 30 days.

- Extended time for Felony Behavior: Crimes against persons – 120 days; Drug & Alcohol crimes – 90 days; Property crimes – 60 days.
- Mid-range time for non-felony antisocial behavior: Drugs, alcohol, threats and/or assaults against persons – 60 days. A threat against a person may be classified as Level 1 or Level 2 as a function of the campus administrator’s determination of the student’s ability and/or means whereby the threat is feasible or might be accomplished. A Level 1 threat is a 30-day DAEP assignment and signifies the administrator’s decision that the means of the student following-through on the threat is of low-probability. Conversely, a Level 2 threat is a 60-day placement and signifies the administrator’s evaluation that the student’s means of follow-through on the threat is feasible or of high probability.
- Gang activity, identifiable gang clothing or styles, recognizable gang signs or other forms of gang communication, including implied intimidation, gang associated fights, graffiti, and/or attempts at recruitment – 60 days; Vandalism & theft – 60 days; Terroristic threats to damage property or to harm students and/or staff – 60 days.
- 60 days minimum time for the 2<sup>nd</sup> time a student is sent to DAEP within a school academic year. If the reason for program referral for the 2<sup>nd</sup> time is for an offense other than continued violation of the code of conduct, then the length of placement could correspond to the more serious offense and the corresponding time assignment. ***A student who is assigned to DAEP for a 2<sup>nd</sup> placement during the academic school year either for discretionary or mandatory reasons will be ineligible for the early release incentive.***

The maximum period of DAEP placement shall be one calendar year except as provided below.

Unless otherwise specified in the placement order, days absent from a DAEP shall not count toward fulfilling the total number of days required in a student’s DAEP placement order.

The district shall administer the required pre- and post-assessments for students assigned to DAEP for a period of 90 days or longer in accordance with established district administrative procedures for administering other diagnostic or benchmark assessments.

### **Exceeds One Year**

Placement in a DAEP may exceed one year when a review by the district determines that the student is a threat to the safety of other students or to district employees.

The statutory limitations on the length of a DAEP placement do not apply to a placement resulting from the board’s decision to place a student who engaged in the sexual assault of another student so that the students are not assigned to the same campus.

### **Exceeds School Year**

Students who commit offenses requiring placement in a DAEP at the end of one school year may be required to continue that placement at the start of the next school year to complete the assigned term of placement.

For placement in a DAEP to extend beyond the end of the school year, the campus behavior coordinator or the board’s designee must determine that:

1. The student's presence in the regular classroom or campus presents a danger of physical harm to the student or others, or
2. The student has engaged in serious or persistent misbehavior (see glossary) that violates the district's code.

### **Exceeds 60 Days**

For placement in a DAEP to extend beyond 60 days or the end of the next grading period, whichever is sooner, a student's parent will be given notice and the opportunity to participate in a proceeding before the board or the board's designee.

### **Appeals**

Questions or complaints from parents regarding disciplinary measures should be addressed to the campus administration.

Student or parent appeals regarding a student's placement in a DAEP should be addressed in accordance with policy FNG(LOCAL). A copy of this policy may be obtained from the principal's office, the campus behavior coordinator's office, the central administration office, or under the School Board Policy link on the district website at [www.redoakisd.org](http://www.redoakisd.org).

Disciplinary consequences will not be deferred pending the outcome of an appeal. The decision to place a student in a DAEP cannot be appealed beyond the board.

### **Restrictions during Placement**

The district does not permit a student who is placed in a DAEP to participate in any school-sponsored or school-related extracurricular or co-curricular activity, including seeking or holding honorary positions and/or membership in school-sponsored clubs and organizations.

A student placed in a DAEP shall not be provided transportation unless he or she is a student with a disability who has transportation designated as a related service in the student's IEP.

For seniors who are eligible to graduate and are assigned to a DAEP at the time of graduation, the last day of placement in the program will be the last instructional day, and the student will be allowed to participate in the graduation ceremony and related graduation activities unless otherwise specified in the DAEP placement order.

### **Placement Review**

A student placed in a DAEP will be provided a review of his or her status, including academic status, by the campus behavior coordinator or the board's designee at intervals not to exceed 120 days. In the case of a high school student, the student's progress toward graduation and the student's graduation plan will also be reviewed. At the review, the student or the student's parent will be given the opportunity to present arguments for the student's return to the regular classroom or campus. The student may not be returned to the classroom of a teacher who removed the student without that teacher's consent.

### **Additional Misconduct**

If during the term of placement in a DAEP the student engages in additional conduct for which placement in a DAEP or expulsion is required or permitted, additional proceedings may be conducted,

and the campus behavior coordinator may enter an additional disciplinary order as a result of those proceedings.

### **Notice of Criminal Proceedings**

When a student is placed in a DAEP for certain offenses, the office of the prosecuting attorney will notify the district if:

1. Prosecution of a student's case was refused for lack of prosecutorial merit or insufficient evidence and no formal proceedings, deferred adjudication (see glossary), or deferred prosecution will be initiated; or
2. The court or jury found a student not guilty, or made a finding that the student did not engage in delinquent conduct or conduct indicating a need for supervision, and the case was dismissed with prejudice.

If a student was placed in a DAEP for such conduct, on receiving the notice from the prosecutor, the superintendent or designee will review the student's placement and schedule a review with the student's parent not later than the third day after the superintendent or designee receives notice from the prosecutor. The student may not be returned to the regular classroom pending the review.

After reviewing the notice and receiving information from the student's parent, the superintendent or designee may continue the student's placement if there is reason to believe that the presence of the student in the regular classroom threatens the safety of other students or teachers.

The student or the student's parent may appeal the superintendent's decision to the board. The student may not be returned to the regular classroom pending the appeal. In the case of an appeal, the board will, at the next scheduled meeting, review the notice from the prosecutor and receive information from the student, the student's parent, and the superintendent or designee, and confirm or reverse the decision of the superintendent or designee. The board will make a record of the proceedings.

If the board confirms the decision of the superintendent or designee, the student and the student's parent may appeal to the Commissioner of Education. The student may not be returned to the regular classroom pending the appeal.

### **Withdrawal during Process**

When a student violates the district's code in a way that requires or permits the student to be placed in a DAEP and the student withdraws from the district before a placement order is completed, the campus behavior coordinator may complete the proceedings and issue a placement order. If the student then re-enrolls in the district during the same or a subsequent school year, the district may enforce the order at that time, less any period of the placement that has been served by the student during enrollment in another district. If the campus behavior coordinator or the board fails to issue a placement order after the student withdraws, the next district in which the student enrolls may complete the proceedings and issue a placement order.

### **Newly Enrolled Students**

The district shall continue the DAEP placement of a student who enrolls in the district and was assigned to DAEP in an open-enrollment charter school or another district.

A newly enrolled student with a DAEP placement from a district in another state will be placed as any other newly enrolled student if the behavior committed is a reason for DAEP placement in the receiving district.

If the student was placed in a DAEP by a school district in another state for a period that exceeds one year, this district, by state law, will reduce the period of the placement so that the total placement does not exceed one year. After a review, however, the placement may be extended beyond a year if the district determines that the student is a threat to the safety of other students or employees or the extended placement is in the best interest of the student.

### **Emergency Placement Procedure**

When an emergency placement is necessary because the student's behavior is so unruly, disruptive, or abusive that it seriously interferes with classroom or school operations, the student will be given oral notice of the reason for the action. Not later than the tenth day after the date of the placement, the student will be given the appropriate conference required for assignment to a DAEP.

### **Placement and/or Expulsion for Certain Serious Offenses**

This section includes two categories of serious offenses for which the Education Code provides unique procedures and specific consequences.

#### **Registered Sex Offenders**

Upon receiving notification in accordance with state law that a student is currently required to register as a sex offender, the administration must remove the student from the regular classroom and determine appropriate placement unless the court orders JJAEP placement.

If the student is under any form of court supervision, including probation, community supervision, or parole, the placement will be in either DAEP or JJAEP for at least one semester.

If the student is not under any form of court supervision, the placement may be in DAEP or JJAEP for one semester or the placement may be in a regular classroom. The placement may not be in the regular classroom if the board or its designee determines that the student's presence:

1. Threatens the safety of other students or teachers,
2. Will be detrimental to the educational process, or
3. Is not in the best interests of the district's students.

#### **Review Committee**

At the end of the first semester of a student's placement in an alternative educational setting and before the beginning of each school year for which the student remains in an alternative placement, the district shall convene a committee, in accordance with state law, to review the student's placement. The committee will recommend whether the student should return to the regular classroom or remain in the placement. Absent a special finding, the board or its designee must follow the committee's recommendation.

The placement review of a student with a disability who receives special education services must be made by the ARD committee.

## **Newly Enrolled Student**

If a student enrolls in the district during a mandatory placement as a registered sex offender, the district may count any time already spent by the student in a placement or may require an additional semester in an alternative placement without conducting a review of the placement.

## **Appeal**

A student or the student's parent may appeal the placement by requesting a conference between the board or its designee, the student, and the student's parent. The conference is limited to the factual question of whether the student is required to register as a sex offender. Any decision of the board or its designee under this section is final and may not be appealed.

## **Certain Felonies**

Regardless of whether placement or expulsion is required or permitted by one of the reasons in the DAEP Placement or Expulsion sections, in accordance with Education Code 37.0081, a student may be expelled and placed in either DAEP or JJAEP if the board or campus behavior coordinator makes certain findings and the following circumstances exist in relation to a felony offense under Title 5 (see glossary) of the Texas Penal Code. The student must:

- Have received deferred prosecution for conduct defined as aggravated robbery or a Title 5 felony offense;
- Have been found by a court or jury to have engaged in delinquent conduct for conduct defined as aggravated robbery or a Title 5 felony offense;
- Have been charged with engaging in conduct defined as aggravated robbery or a Title 5 felony offense;
- Have been referred to a juvenile court for allegedly engaging in delinquent conduct for conduct defined as aggravated robbery or a Title 5 felony offense; or
- Have received probation or deferred adjudication or have been arrested for, charged with, or convicted of aggravated robbery or a Title 5 felony offense.

The district may expel the student and order placement under these circumstances regardless of:

1. The date on which the student's conduct occurred,
2. The location at which the conduct occurred,
3. Whether the conduct occurred while the student was enrolled in the district, or
4. Whether the student has successfully completed any court disposition requirements imposed in connection with the conduct.

## **Hearing and Required Findings**

The student must first have a hearing before the board or its designee, who must determine that in addition to the circumstances above that allow for the expulsion, the student's presence in the regular classroom:

1. Threatens the safety of other students or teachers,
2. Will be detrimental to the educational process, or

3. Is not in the best interest of the district's students.

Any decision of the board or the board's designee under this section is final and may not be appealed.

### **Length of Placement**

The student is subject to the placement until:

1. The student graduates from high school,
2. The charges are dismissed or reduced to a misdemeanor offense, or
3. The student completes the term of the placement or is assigned to another program.

### **Newly Enrolled Students**

A student who enrolls in the district before completing a placement under this section from another school district must complete the term of the placement.

### **Expulsion**

In deciding whether to order expulsion, regardless of whether the action is mandatory or discretionary, the campus behavior coordinator will take into consideration:

1. Self-defense (see glossary),
2. Intent or lack of intent at the time the student engaged in the conduct,
3. The student's disciplinary history, or
4. A disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct.

### **Discretionary Expulsion: Misconduct That May Result in Expulsion**

Some of the following types of misconduct may result in mandatory placement in a DAEP, whether or not a student is expelled. (See DAEP Placement)

#### **Any Location**

A student may be expelled for:

- Engaging in bullying that encourages a student to commit or attempt to commit suicide.
- Inciting violence against a student through group bullying.
- Releasing or threatening to release intimate visual material of a minor or a student who is 18 years of age or older without the student's consent.
- Conduct that contains the elements of assault under Penal Code 22.01(a)(1) in retaliation against a school employee or volunteer.
- Criminal mischief, if punishable as a felony.
- Engaging in conduct that contains the elements of one of the following offenses against another student:
  - Aggravated assault.
  - Sexual assault.

- Aggravated sexual assault.
- Murder.
- Capital murder.
- Criminal attempt to commit murder or capital murder.
- Aggravated robbery.
- Breach of computer security. (See glossary)
- Engaging in conduct relating to a false alarm or report (including a bomb threat) or a terroristic threat involving a public school.

### **At School, Within 300 Feet, or at a School Event**

A student may be expelled for committing any of the following offenses on or within 300 feet of school property, as measured from any point on the school's real property boundary line, or while attending a school-sponsored or school-related activity on or off school property:

- Selling, giving, or delivering to another person, or possessing, using, or being under the influence of marijuana, a controlled substance, or a dangerous drug, if the conduct is not punishable as a felony. A student with a valid prescription for low-THC cannabis as authorized by Chapter 487 of the Health and Safety Code does not violate this provision. (See glossary for "under the influence.")
- Selling, giving, or delivering to another person, or possessing, using, or being under the influence of alcohol; or committing a serious act or offense while under the influence of alcohol, if the conduct is not punishable as a felony.
- Engaging in conduct that contains the elements of an offense relating to abusable volatile chemicals.
- Engaging in conduct that contains the elements of assault under Section 22.01(a)(1) against an employee or a volunteer.
- Engaging in deadly conduct. (See glossary.)

### **Within 300 Feet of School**

A student may be expelled for engaging in the following conduct while within 300 feet of school property, as measured from any point on the school's real property boundary line:

- Aggravated assault, sexual assault, or aggravated sexual assault.
- Arson. (See glossary.)
- Murder, capital murder, or criminal attempt to commit murder or capital murder.
- Indecency with a child, aggravated kidnapping, manslaughter, criminally negligent homicide, or aggravated robbery.
- Continuous sexual abuse of a young child or children.
- Felony drug- or alcohol-related offense.

- Carrying on or about the student's person a handgun, a location-restricted knife, or a club, as these terms are defined by state law. (See glossary.)
- Possessing, manufacturing, transporting, repairing, or selling a prohibited weapon, as defined by state law. (See glossary.)
- Possession of a firearm, as defined by federal law. (See glossary.)

### **Property of Another District**

A student may be expelled for committing any offense that is a state-mandated expellable offense if the offense is committed on the property of another district in Texas or while the student is attending a school-sponsored or school-related activity of a school in another district in Texas.

### **While in DAEP**

A student **may** be expelled for engaging in documented serious misbehavior that violates the district's Code, despite documented behavioral interventions while placed in a DAEP. For purposes of discretionary expulsion from a DAEP, serious misbehavior means:

1. Deliberate violent behavior that poses a direct threat to the health or safety of others;
2. Extortion, meaning the gaining of money or other property by force or threat;
3. Conduct that constitutes coercion, as defined by Section 1.07, Penal Code; or
4. Conduct that constitutes the offense of:
  - a. Public lewdness under Section 21.07, Penal Code;
  - b. Indecent exposure under Section 21.08, Penal Code;
  - c. Criminal mischief under Section 28.03, Penal Code;
  - d. Personal hazing under Section 37.152; or
  - e. Harassment under Section 42.07(a)(1), Penal Code, of a student or district employee.

### **Mandatory Expulsion: Misconduct That Requires Expulsion**

A student must be expelled under federal or state law for any of the following offenses that occur on school property or while attending a school-sponsored or school-related activity on or off school property:

#### **Under Federal Law**

- Bringing to school or possessing at school, including any setting that is under the district's control or supervision for the purpose of a school activity, a firearm, as defined by federal law. (See glossary.)

*Note:* Mandatory expulsion under the federal Gun Free Schools Act does not apply to a firearm that is lawfully stored inside a locked vehicle, or to firearms used in activities approved and authorized by the district when the district has adopted appropriate safeguards to ensure student safety.

#### **Under the Texas Penal Code**

- Carrying on or about the student's person the following, as defined by the Texas Penal Code:
  - A handgun, defined by state law as any firearm designed, made, or adapted to be used with one hand. (See glossary.) *Note:* A student may not be expelled solely on the

basis of the student's use, exhibition, or possession of a firearm that occurs at an approved target range facility that is not located on a school campus, while participating in or preparing for a school-sponsored, shooting sports competition or a shooting sports educational activity that is sponsored or supported by the Parks and Wildlife Department, or a shooting sports sanctioning organization working with the department. [See policy FNCG(LEGAL).]

- A location-restricted knife, as defined by state law. (See glossary.)
- A club, as defined in state law. (See glossary.)
- Possessing, manufacturing, transporting, repairing, or selling a prohibited weapon, as defined in state law. (See glossary.)
- Behaving in a manner that contains elements of the following offenses under the Texas Penal Code:
  - Aggravated assault, sexual assault, or aggravated sexual assault.
  - Arson. (See glossary.)
  - Murder, capital murder, or criminal attempt to commit murder or capital murder.
  - Indecency with a child.
  - Aggravated kidnapping.
  - Aggravated robbery.
  - Manslaughter.
  - Criminally negligent homicide.
  - Continuous sexual abuse of a young child or children.
  - Behavior punishable as a felony that involves selling, giving, or delivering to another person, or possessing, using, or being under the influence of marijuana, a controlled substance, a dangerous drug, or alcohol; or committing a serious act or offense while under the influence of alcohol.
- Engaging in retaliation against a school employee or volunteer combined with one of the above-listed mandatory expulsion offenses.

## **Under Age Ten**

When a student under the age of ten engages in behavior that is expellable behavior, the student will not be expelled, but will be placed in a DAEP. A student under age six will not be placed in a DAEP unless the student commits a federal firearm offense.

## **Process**

If a student is believed to have committed an expellable offense, the campus behavior coordinator or other appropriate administrator will schedule a hearing within a reasonable time. The student's parent will be invited in writing to attend the hearing.

Until a hearing can be held, the campus behavior coordinator or other administrator may place the student in:

- Another appropriate classroom.
- In-school suspension.
- Out-of-school suspension.
- DAEP.

## **Hearing**

A student facing expulsion will be given a hearing with appropriate due process. The student is entitled to:

1. Representation by the student's parent or another adult who can provide guidance to the student and who is not an employee of the district,
2. An opportunity to testify and to present evidence and witnesses in the student's defense, and
3. An opportunity to question the district's witnesses.

After providing notice to the student and parent of the hearing, the district may hold the hearing regardless of whether the student or the student's parent attends.

The board of trustees delegates to the Red Oak Independent School District Superintendent or his designee the authority to conduct hearings and expel students.

## **Board Review of Expulsion**

After the due process hearing, the expelled student may request that the board review the expulsion decisions. The student or parent must submit a written request to the superintendent within seven days after receipt of the written decision. The superintendent must provide the student or parent written notice of the date, time, and place of the meeting at which the board will review the decision.

The board shall review the record of the expulsion hearing in a closed meeting unless the parent requests in writing that the matter be held in an open meeting. The board may also hear a statement from the student or parent and from the board's designee.

The board shall hear statements made by the parties at the review and shall base its decision on evidence reflected in the record and any statements made by the parties at the review. The board shall make and communicate its decision orally at the conclusion of the presentation. Consequences shall not be deferred pending the outcome of the hearing.

## **Expulsion Order**

Before ordering the expulsion, the board or campus behavior coordinator shall take into consideration:

1. Self-defense (see glossary),
2. Intent or lack of intent at the time the student engaged in the conduct,
3. The student's disciplinary history, or
4. A disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct.

If the student is expelled, the board or its designee will deliver to the student and the student's parent a copy of the order expelling the student.

Not later than the second business day after the hearing, the principal or designee will deliver to the juvenile court a copy of the expulsion order and the information required by Section 52.04 of the Family Code.

If the length of the expulsion is inconsistent with the guidelines included in the Student Code of Conduct, the expulsion order will give notice of the inconsistency.

### **Length of Expulsion**

The length of an expulsion will be correlated to the seriousness of the offense, the student's age and grade level, the frequency of misbehavior, the student's attitude, and statutory requirements.

The duration of a student's expulsion will be determined on a case-by-case basis. The maximum period of expulsion is one calendar year except as provided below.

An expulsion may not exceed one year unless, after review, the district determines that:

1. The student is a threat to the safety of other students or to district employees, or
2. Extended expulsion is in the best interest of the student.

State and federal law require a student to be expelled from the regular classroom for a period of at least one calendar year for bringing a firearm, as defined by federal law, to school. However, the superintendent or other appropriate administrator may modify the length of the expulsion on a case-by-case basis.

Students who commit offenses that require expulsion at the end of one school year may be expelled into the next school year to complete the term of expulsion.

### **Withdrawal during Process**

When a student has violated the district's code in a way that requires or permits expulsion from the district and the student withdraws from the district before the expulsion hearing takes place, the district may conduct the hearing after sending written notice to the parent and student.

If the student then re-enrolls in the district during the same or subsequent school year, the district may enforce the expulsion order at that time, less any expulsion period that has been served by the student during enrollment in another district.

If the campus behavior coordinator or the board fails to issue an expulsion order after the student withdraws, the next district in which the student enrolls may complete the proceedings.

### **Additional Misconduct**

If during the expulsion, the student engages in additional conduct for which placement in a DAEP or expulsion is required or permitted, additional proceedings may be conducted, and the campus behavior coordinator or the board may issue an additional disciplinary order as a result of those proceedings.

### **Restrictions during Expulsion**

Expelled students are prohibited from being on school grounds or attending school-sponsored or school-related activities during the period of expulsion.

No district academic credit will be earned for work missed during the period of expulsion unless the student is enrolled in a JJAEP or another district-approved program.

## **Newly Enrolled Students**

The district shall continue the expulsion of any newly enrolled student expelled from another district or an open-enrollment charter school until the period of the expulsion is completed.

If a student expelled in another state enrolls in the district, the district may continue the expulsion under the terms of the expulsion order, may place the student in a DAEP for the period specified in the order, or may allow the student to attend regular classes if:

1. The out-of-state district provides the district with a copy of the expulsion order, and
2. The offense resulting in the expulsion is also an expellable offense in the district in which the student is enrolling.

If a student is expelled by a district in another state for a period that exceeds one year and the district continues the expulsion or places the student in a DAEP, the district will reduce the period of the expulsion or DAEP placement so that the entire period does not exceed one year, unless after a review it is determined that:

1. The student is a threat to the safety of other students or district employees, or
2. Extended placement is in the best interest of the student.

## **Emergency Expulsion Procedures**

When an emergency expulsion is necessary to protect persons or property from imminent harm, the student will be given verbal notice of the reason for the action. Within ten days after the date of the emergency expulsion, the student will be given appropriate due process required for a student facing expulsion.

## **DAEP Placement of Expelled Students**

The district may provide educational services to any expelled student in a DAEP; however, educational services in the DAEP must be provided if the student is less than ten years of age.

### DISCIPLINE PLAN

Students who violate the district Student Code of Conduct shall be subject to disciplinary action. The district's disciplinary options include using one or more discipline management techniques, removal to a Disciplinary Alternative Education Program, suspension, and expulsion. Disciplinary measures are applied depending on the nature of the offense. More information about the district's Discipline Management Plan is available in the Student Code of Conduct.

Red Oak ISD is committed to establishing a high standard of learning within our students. When a student interrupts or stops that learning from taking place, a warning will be given. Only after the warning\* will further consequences be earned as determined by the school administration. \* (Note: Immediate consequences may be given when a student's behavior presents risk of harm to self or others. Warnings are not required for those offenses resulting in an office referral.)

### Discipline Plan Steps K - 5

\*\*\*Steps in the plan will accumulate throughout the entire school year.

Step 1:	Detention
Step 2:	Detention
Step 3:	Detention
Step 4:	Detention

### DISCIPLINE PLAN

#### Red Oak High School and Red Oak Middle School

#### DISCIPLINE GUIDELINES

The disciplinary action taken will be based on “individual offense actions” in most cases. There are a few instances where total cumulative points earned will determine disciplinary action. The administrator reserves the right to use any action deemed appropriate according to specific circumstances. The natural progression of consequences for inappropriate behavior would include after school detention, Saturday detention, in-school suspension (ISS), out of school suspension, and then recommendation for placement in the Discipline Alternative Education Program (DAEP). Serious acts of misbehavior will result in more serious consequences, such as in-school suspension, out of school suspension, placement in DAEP, or recommendation for expulsion.

The **Red Oak High School and Red Oak Middle School Discipline Management Plan** is based on a point system. When a student has accumulated 15-20 points the student may be placed in ISS for up to three days. When a student has accumulated 30 or more total points for the year, a conference will be held to determine if a DAEP placement is warranted. An explanation of this system is listed below:

<b>Offense</b>	<b>Points Per Offense</b>
Excessive tardies	1
Dress Code	1
Referral to the office	3
Going to the parking lot without permission	3
Failure to serve detention or Saturday School	3
Inappropriate Language	3
Not in assigned area	3
Insubordination/Disrespect	5
Leaving Campus without permission	5
Profanity	5
Scuffling	5
Tobacco (possession/use)	5 First offense; 10 Second offense
Fighting	10 Points and DAEP Placement
Fireworks	30
Vandalism	10 to 30
Bullying/Harassment of Others	10 to 30
Alcohol/Drugs	30 DAEP Placement
Assault	30 DAEP Placement
Weapons	30 DAEP Placement
Theft	10 to 30

Any other offense(s) deemed in need of disciplinary action by the administration will be considered General Misconduct and points per offense will range from 1 – 30.

The administration maintains the discretion to assign additional points should the incident deemed to be more severe.

Before ordering removal to a DAEP, a Campus Behavior Coordinator must consider whether the student acted in self-defense, the intent or lack of intent at the time the student engaged in the conduct, the student's disciplinary history, and whether the student has a disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct, regardless of whether the decision of the behavior coordinator concerns a mandatory or discretionary action.

Students returning from a DAEP placement will have their discipline reviewed on a case-by-case basis, with a maximum of 15 additional points to be accumulated before a return to DAEP placement.

The principal or campus behavior coordinator and other school administrators as appropriate will report crimes as required by law and will call local law enforcement (Red Oak ISD Police) when an administrator suspects that a crime has been committed on campus.
