

Red Oak ISD Pre-Kindergarten Family Engagement Plan

“The mutual responsibility of families, schools, and communities is to build relationships that support student learning and achievement, family well-being, and the continuous learning and development of children, families, and educators. Family engagement is fully integrated into the child’s educational experience, supports the whole child, and is both culturally responsive and linguistically appropriate.”

Texas Administrative Code § 102.1003

In Red Oak ISD we believe in providing a quality Pre-Kindergarten experience. We believe that families play a large part in the success of the students. As a result, we strive to provide resources that will foster a positive relationship between the parent and the school.
