

Spring Break Video – March 9, 2018

Hey Hawks! This is Dr. Mike Goddard! I'm so excited that spring break is next week and I know you are as well. I hope everyone takes this opportunity to rest, relax, and refresh. During spring break, I would like to challenge you to take and post one picture of you and your family exemplifying one of the 4 talons on social media. Use #4talons and tag Red Oak ISD. I can't wait to see the 4 talons in action.
